

Producer iPad Visual Bugs

V.2.0

Date:01-09-17

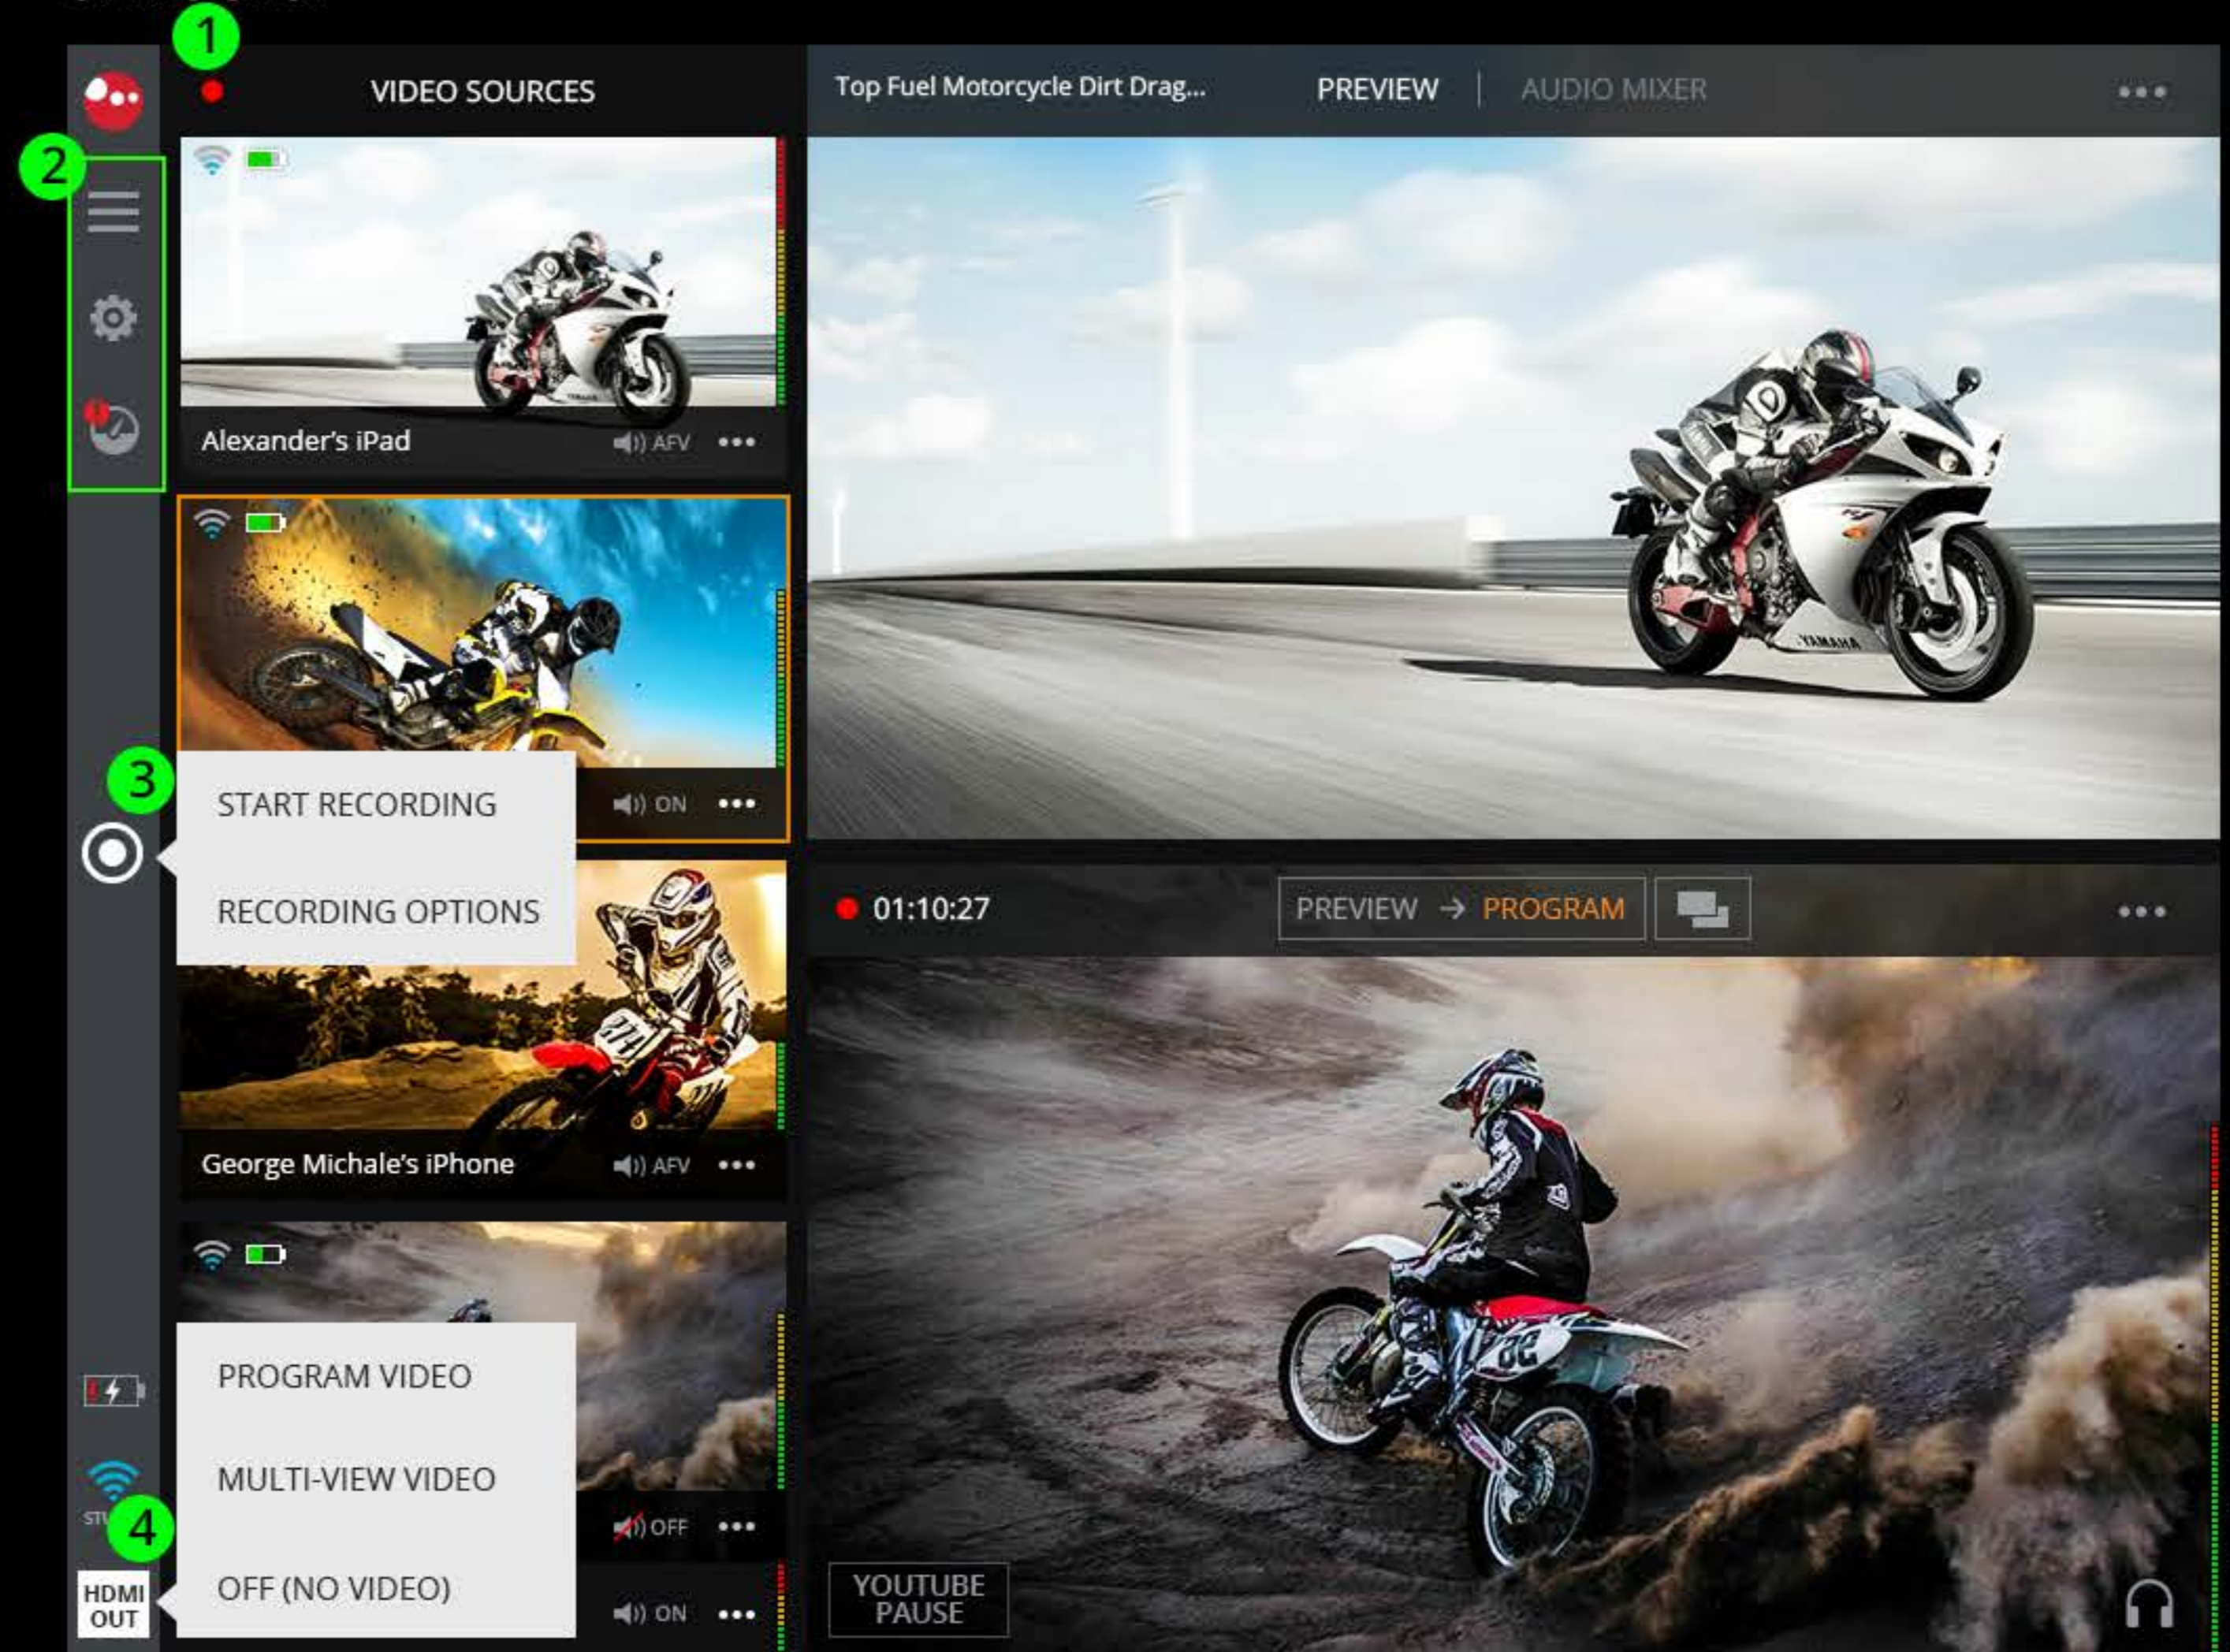

IMPLEMENTATION

Version 0.15.25

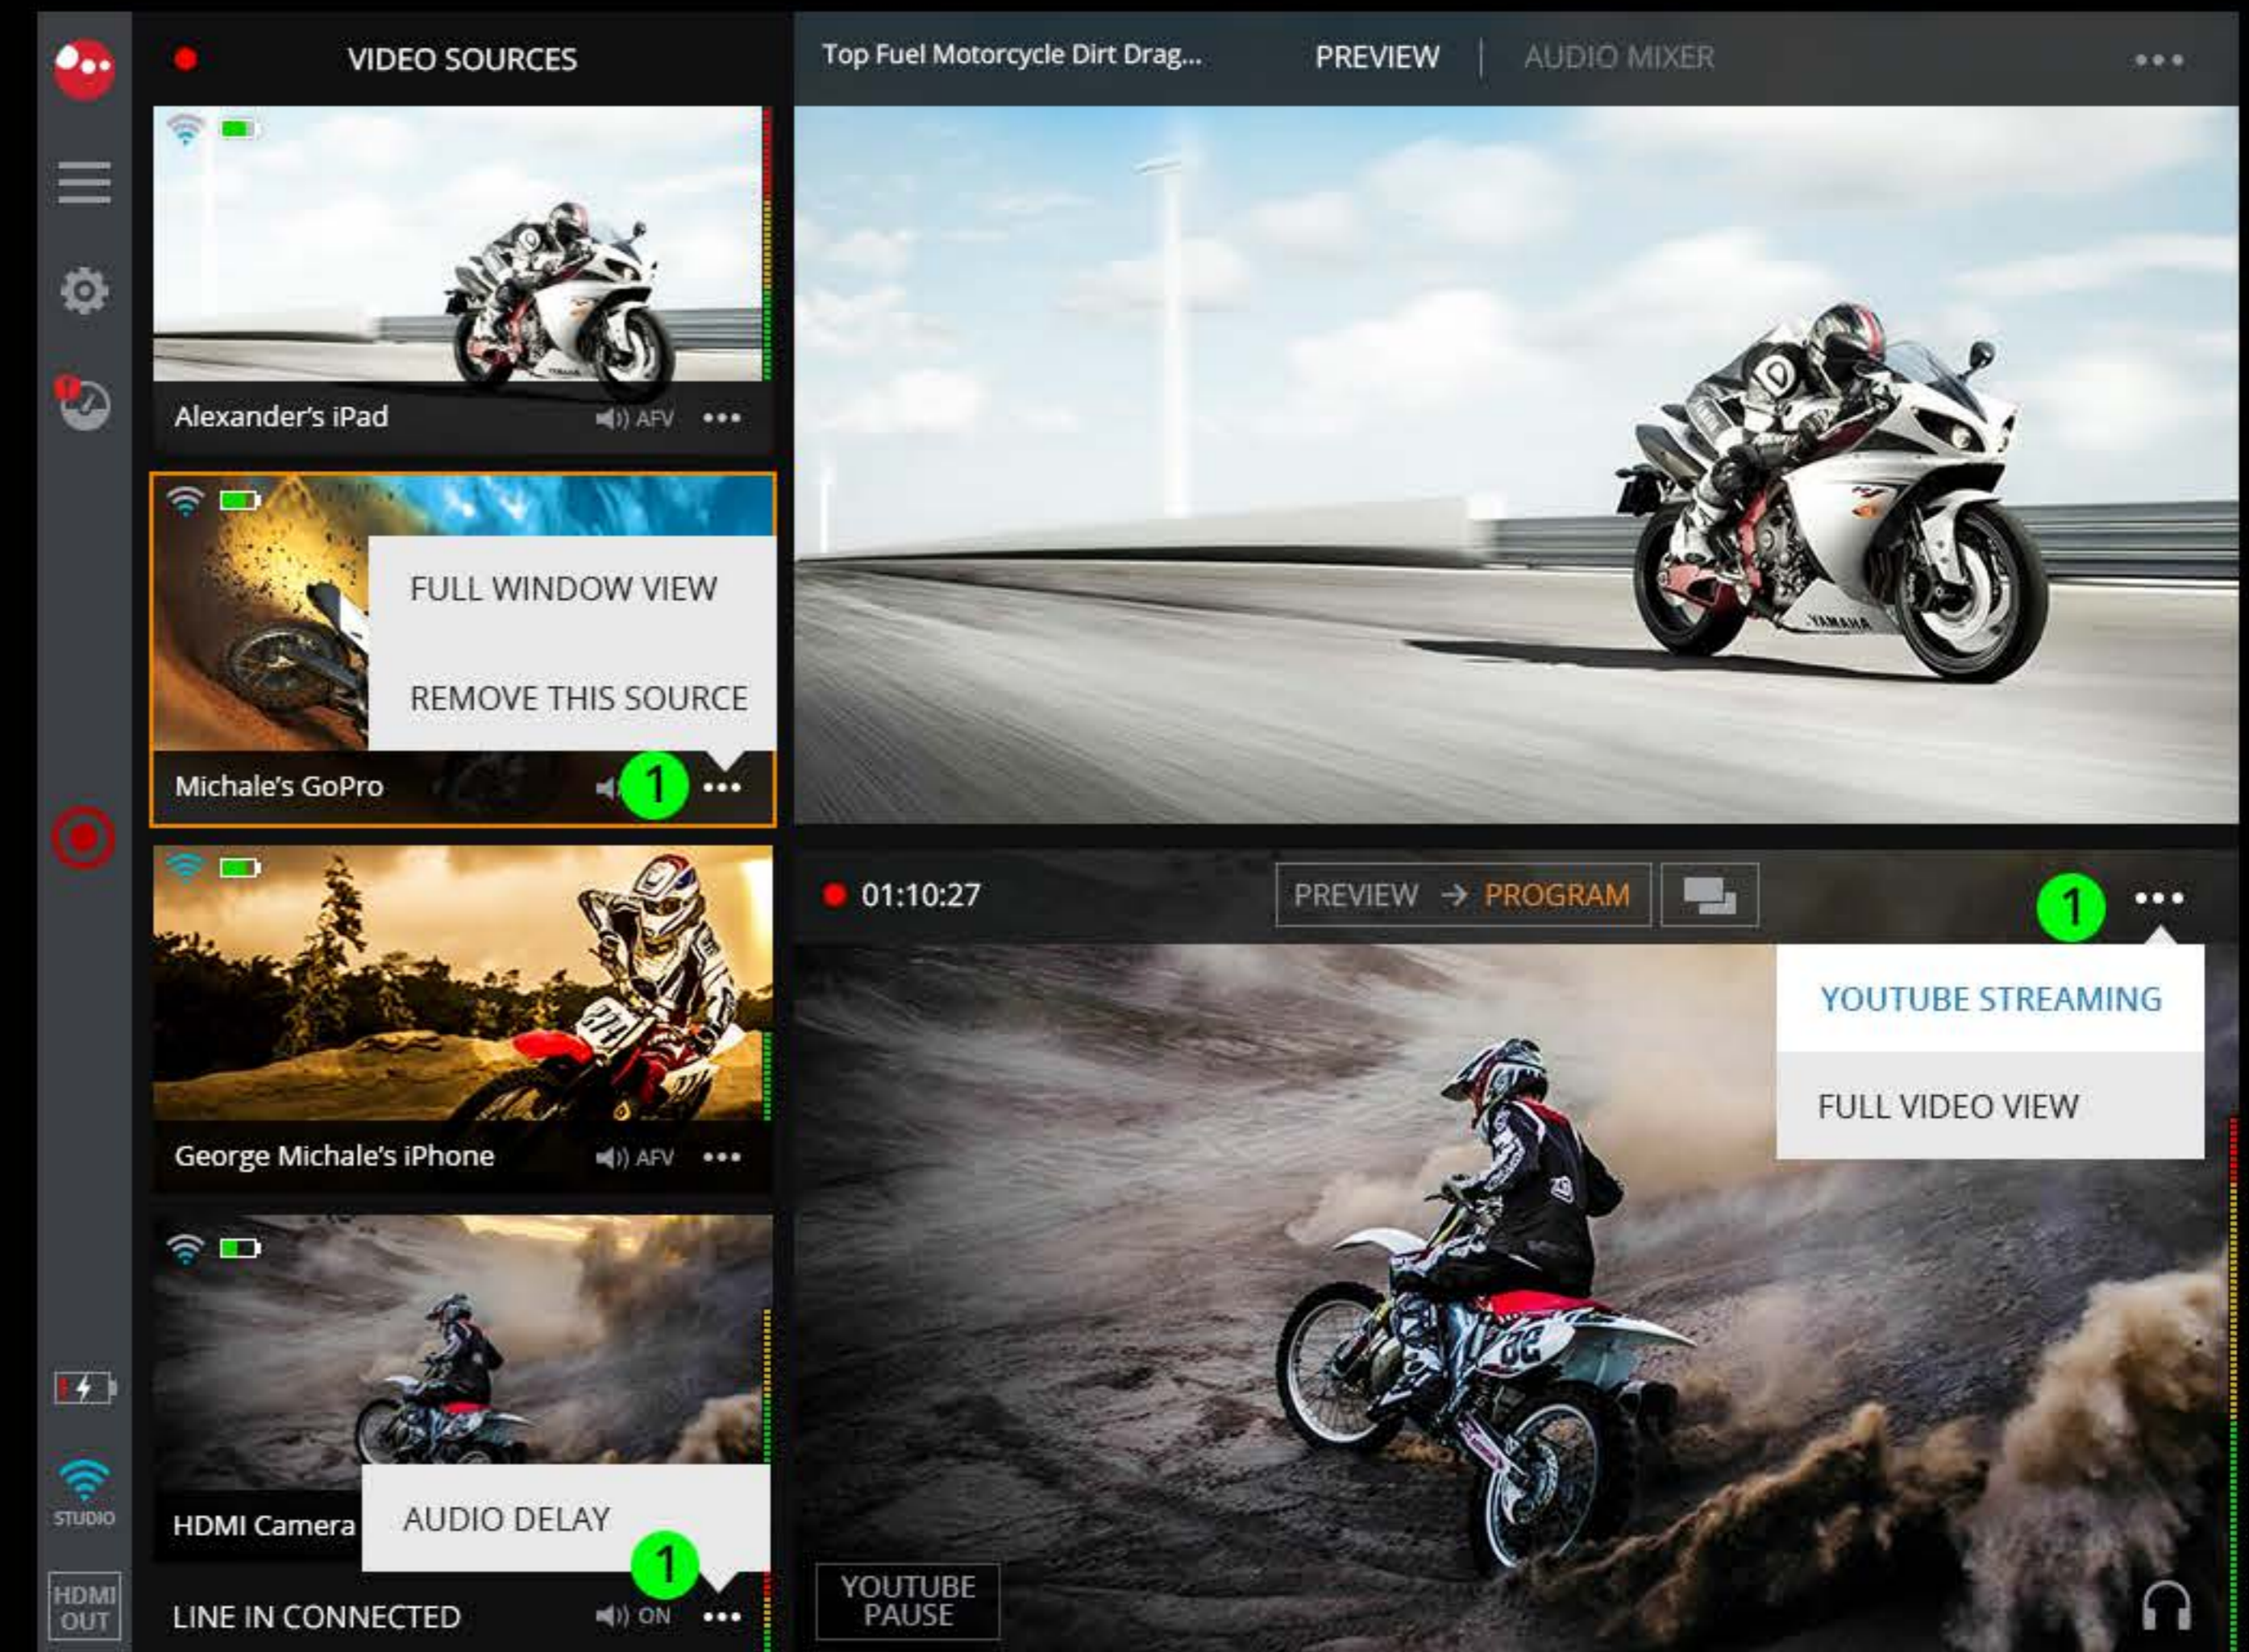

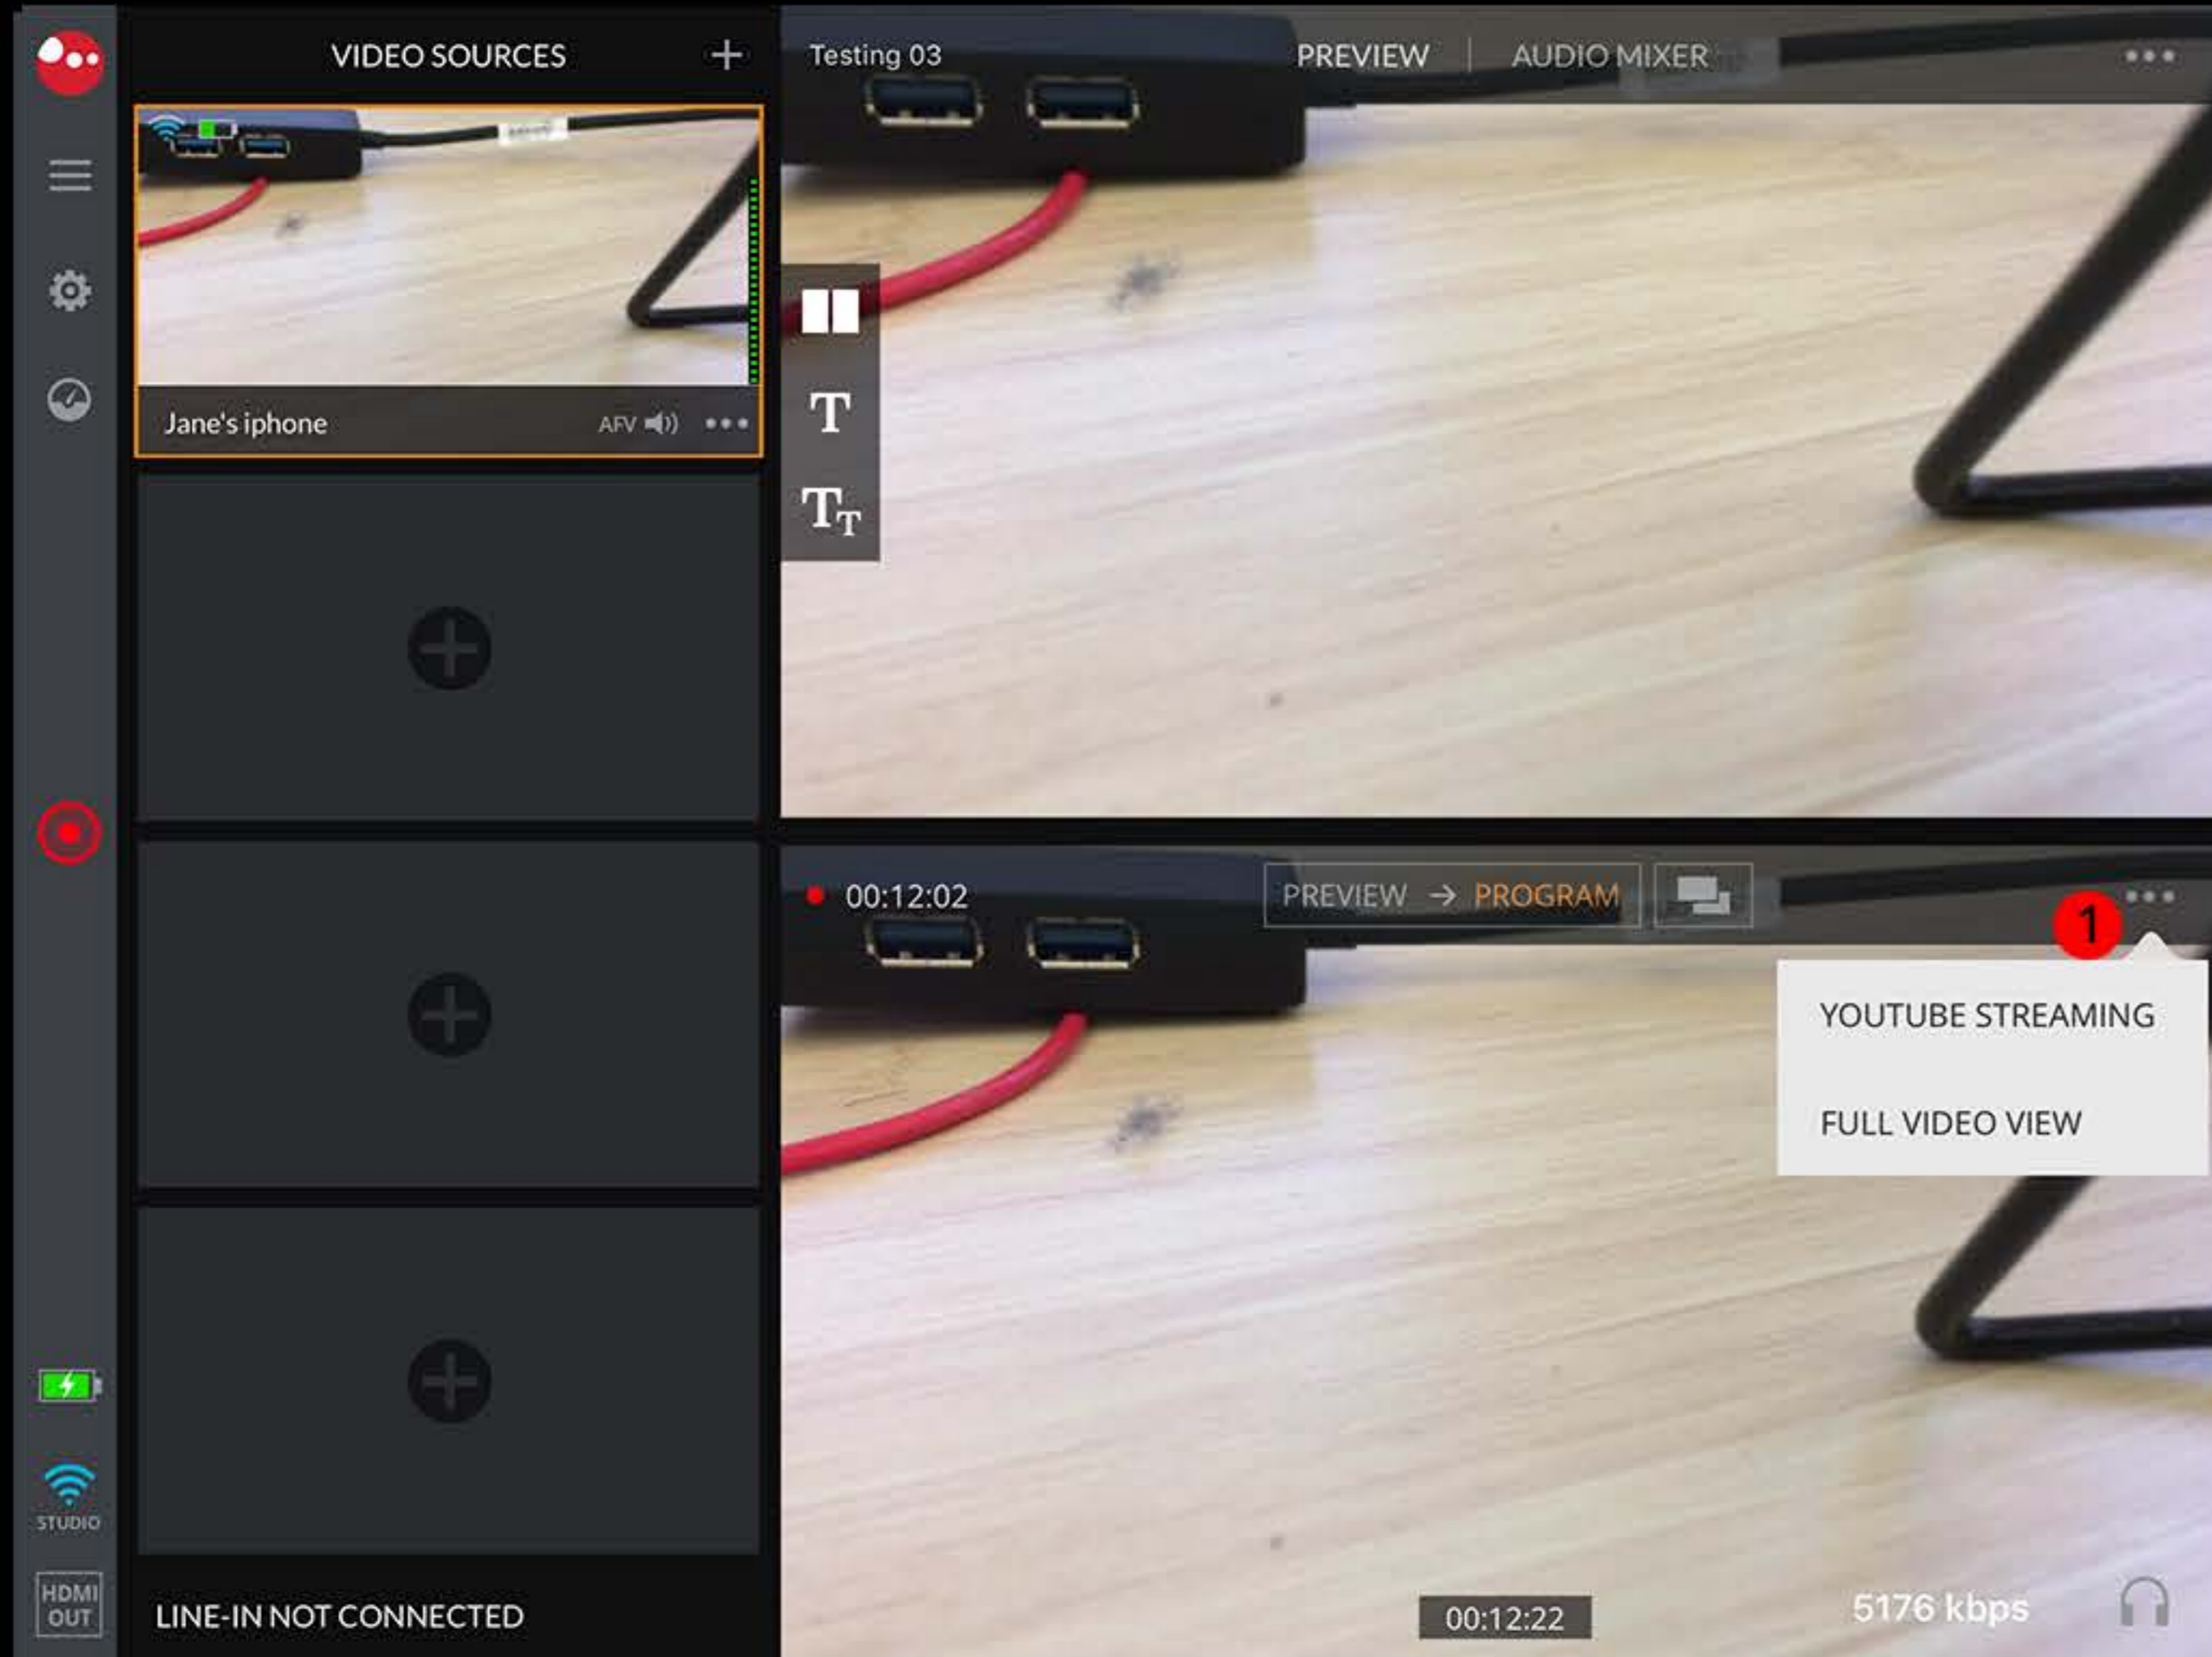

- 1 Missing REC indicator.
- 2 Need to use updated assets. We increased icon size. Correct spacing between icons.
- 3 REC button color should be white when it hovers. Use slice "pdRecHover.png"
Correct default bubble status. When the text is selected, text will be changed to blue with white bg.
See mockup: 09-SP-Main-Enhancement (05-02-assets)

Default Hover Selected (We have animation for this)

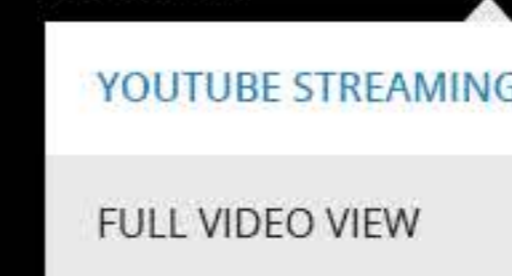

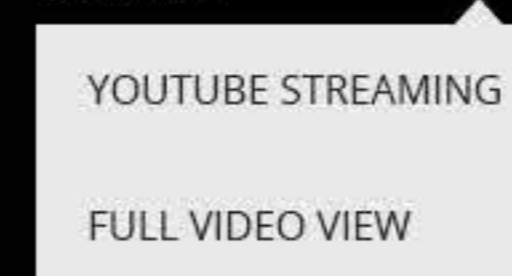

- 4 Need to use custom slice. See Dashboard asset "pdBubbleTri.png"
- 5 Get rid of it.
- 6 Get rid of it.

Default

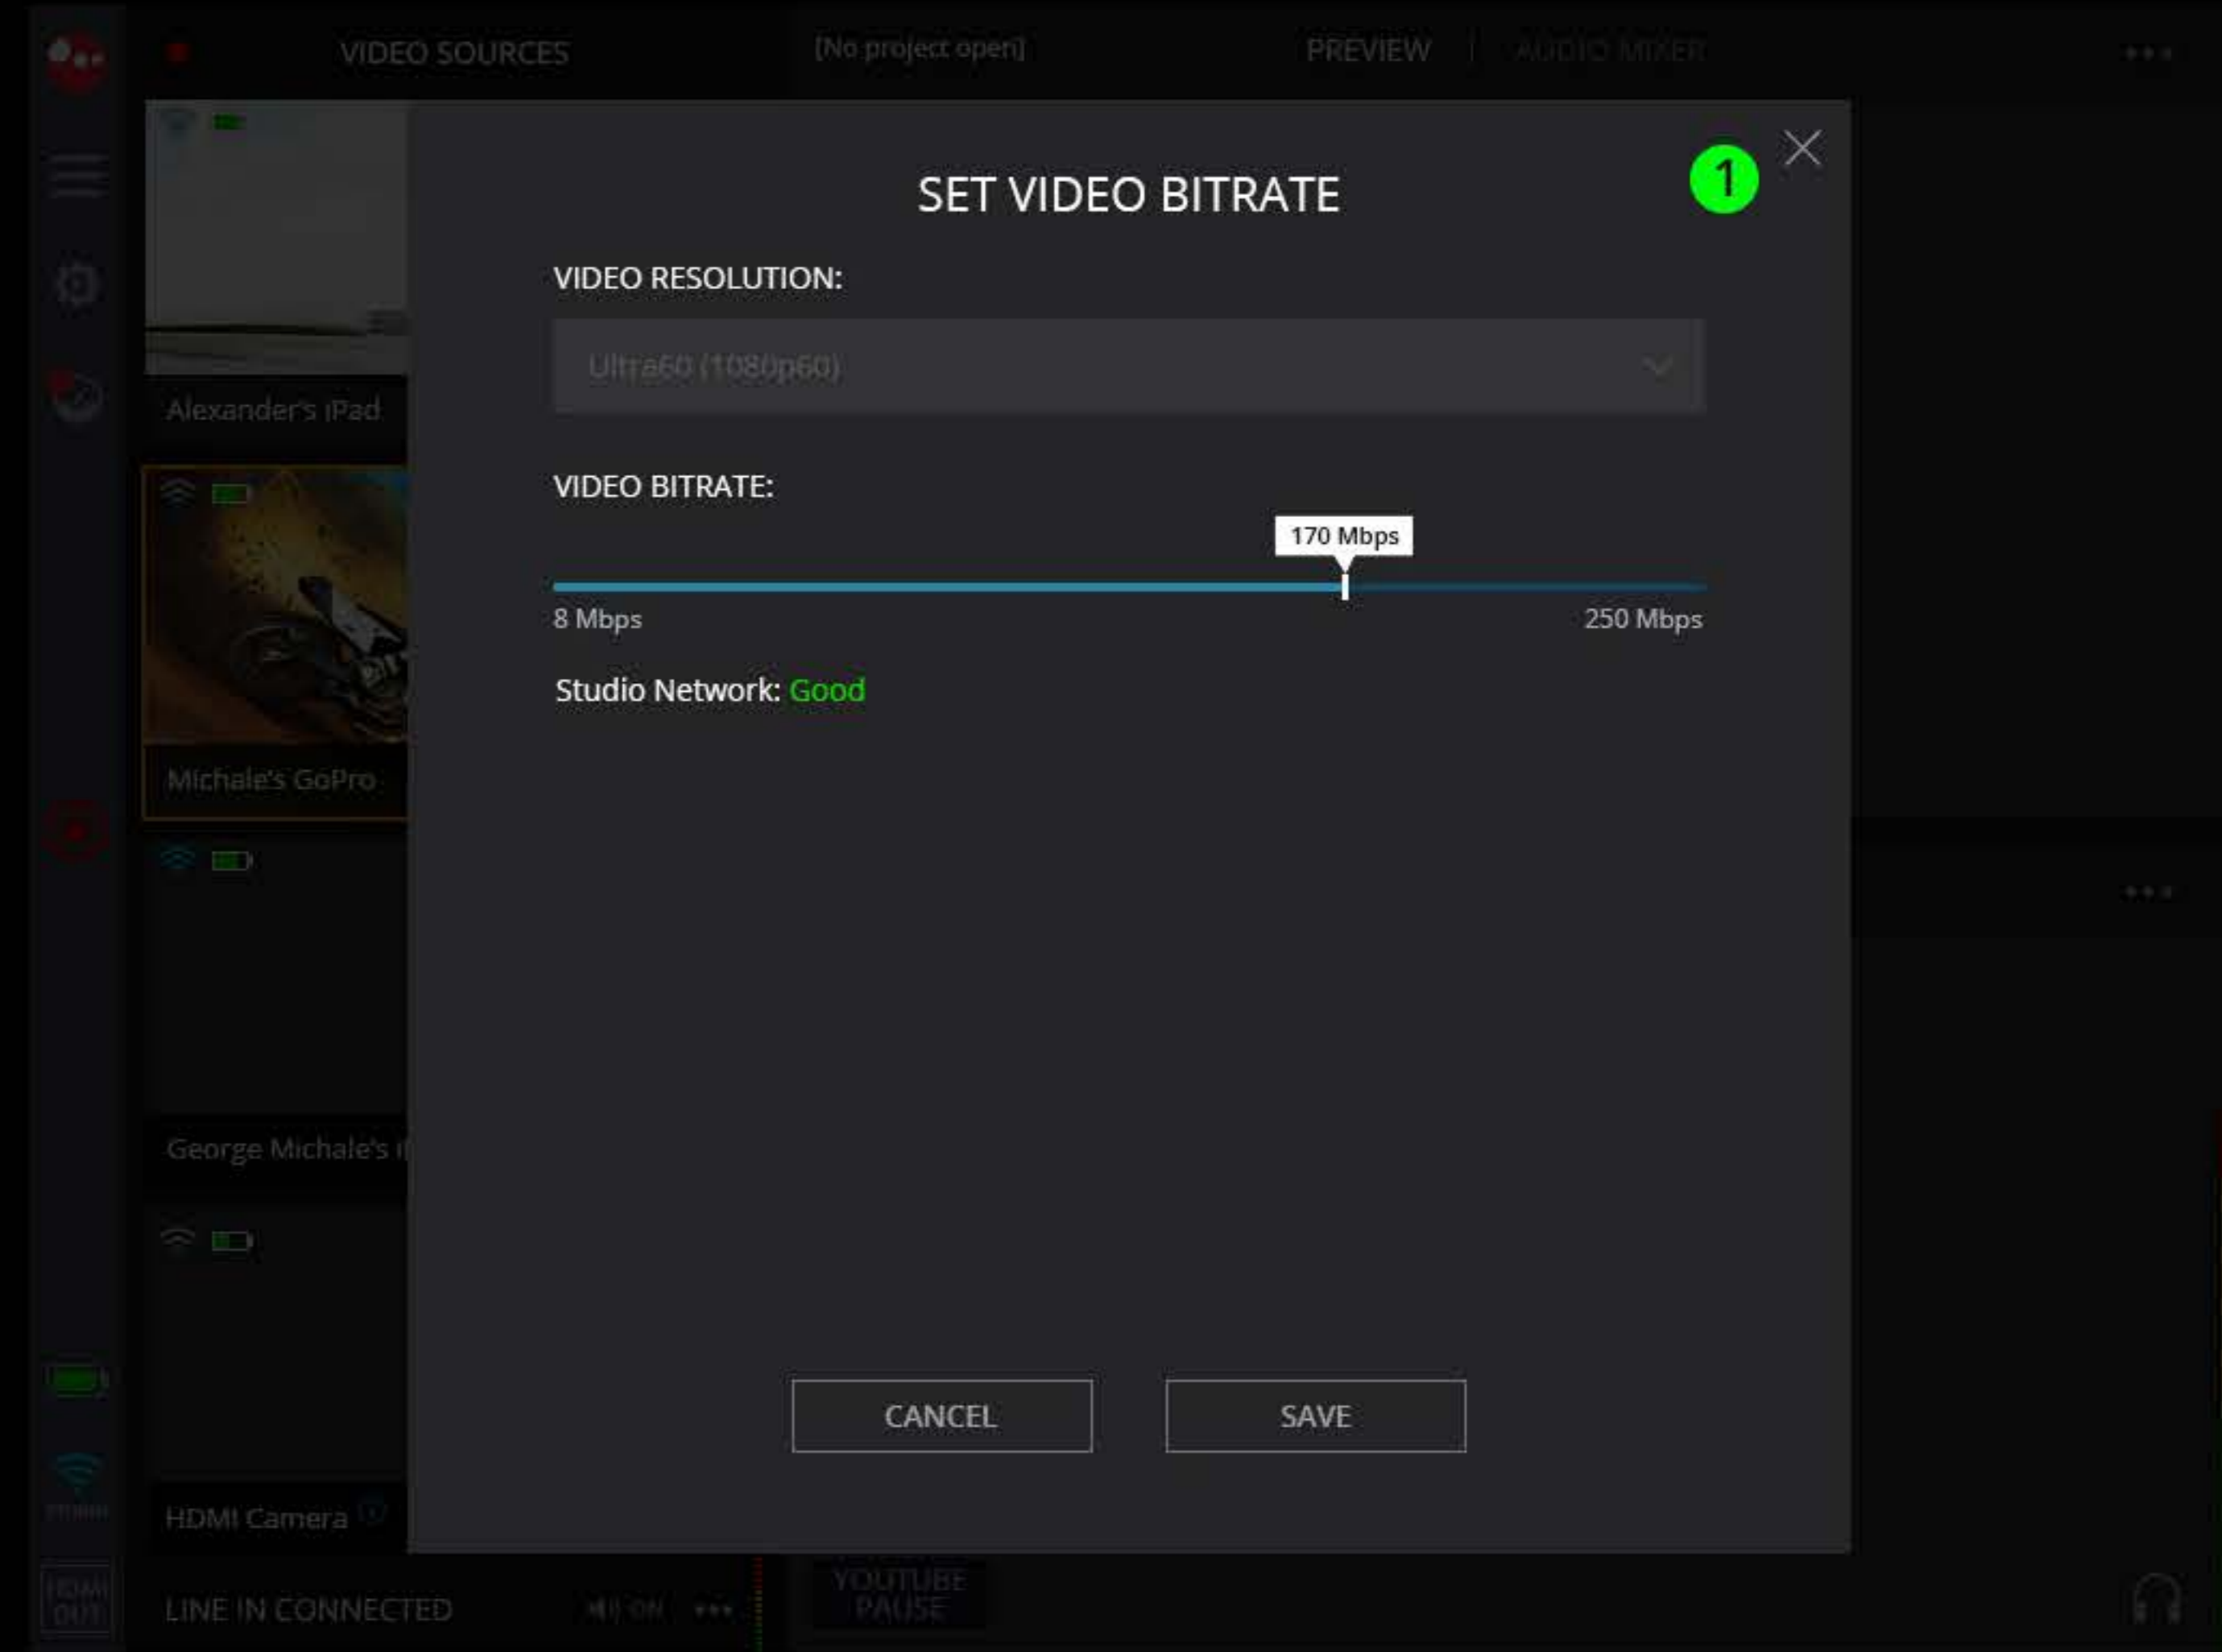

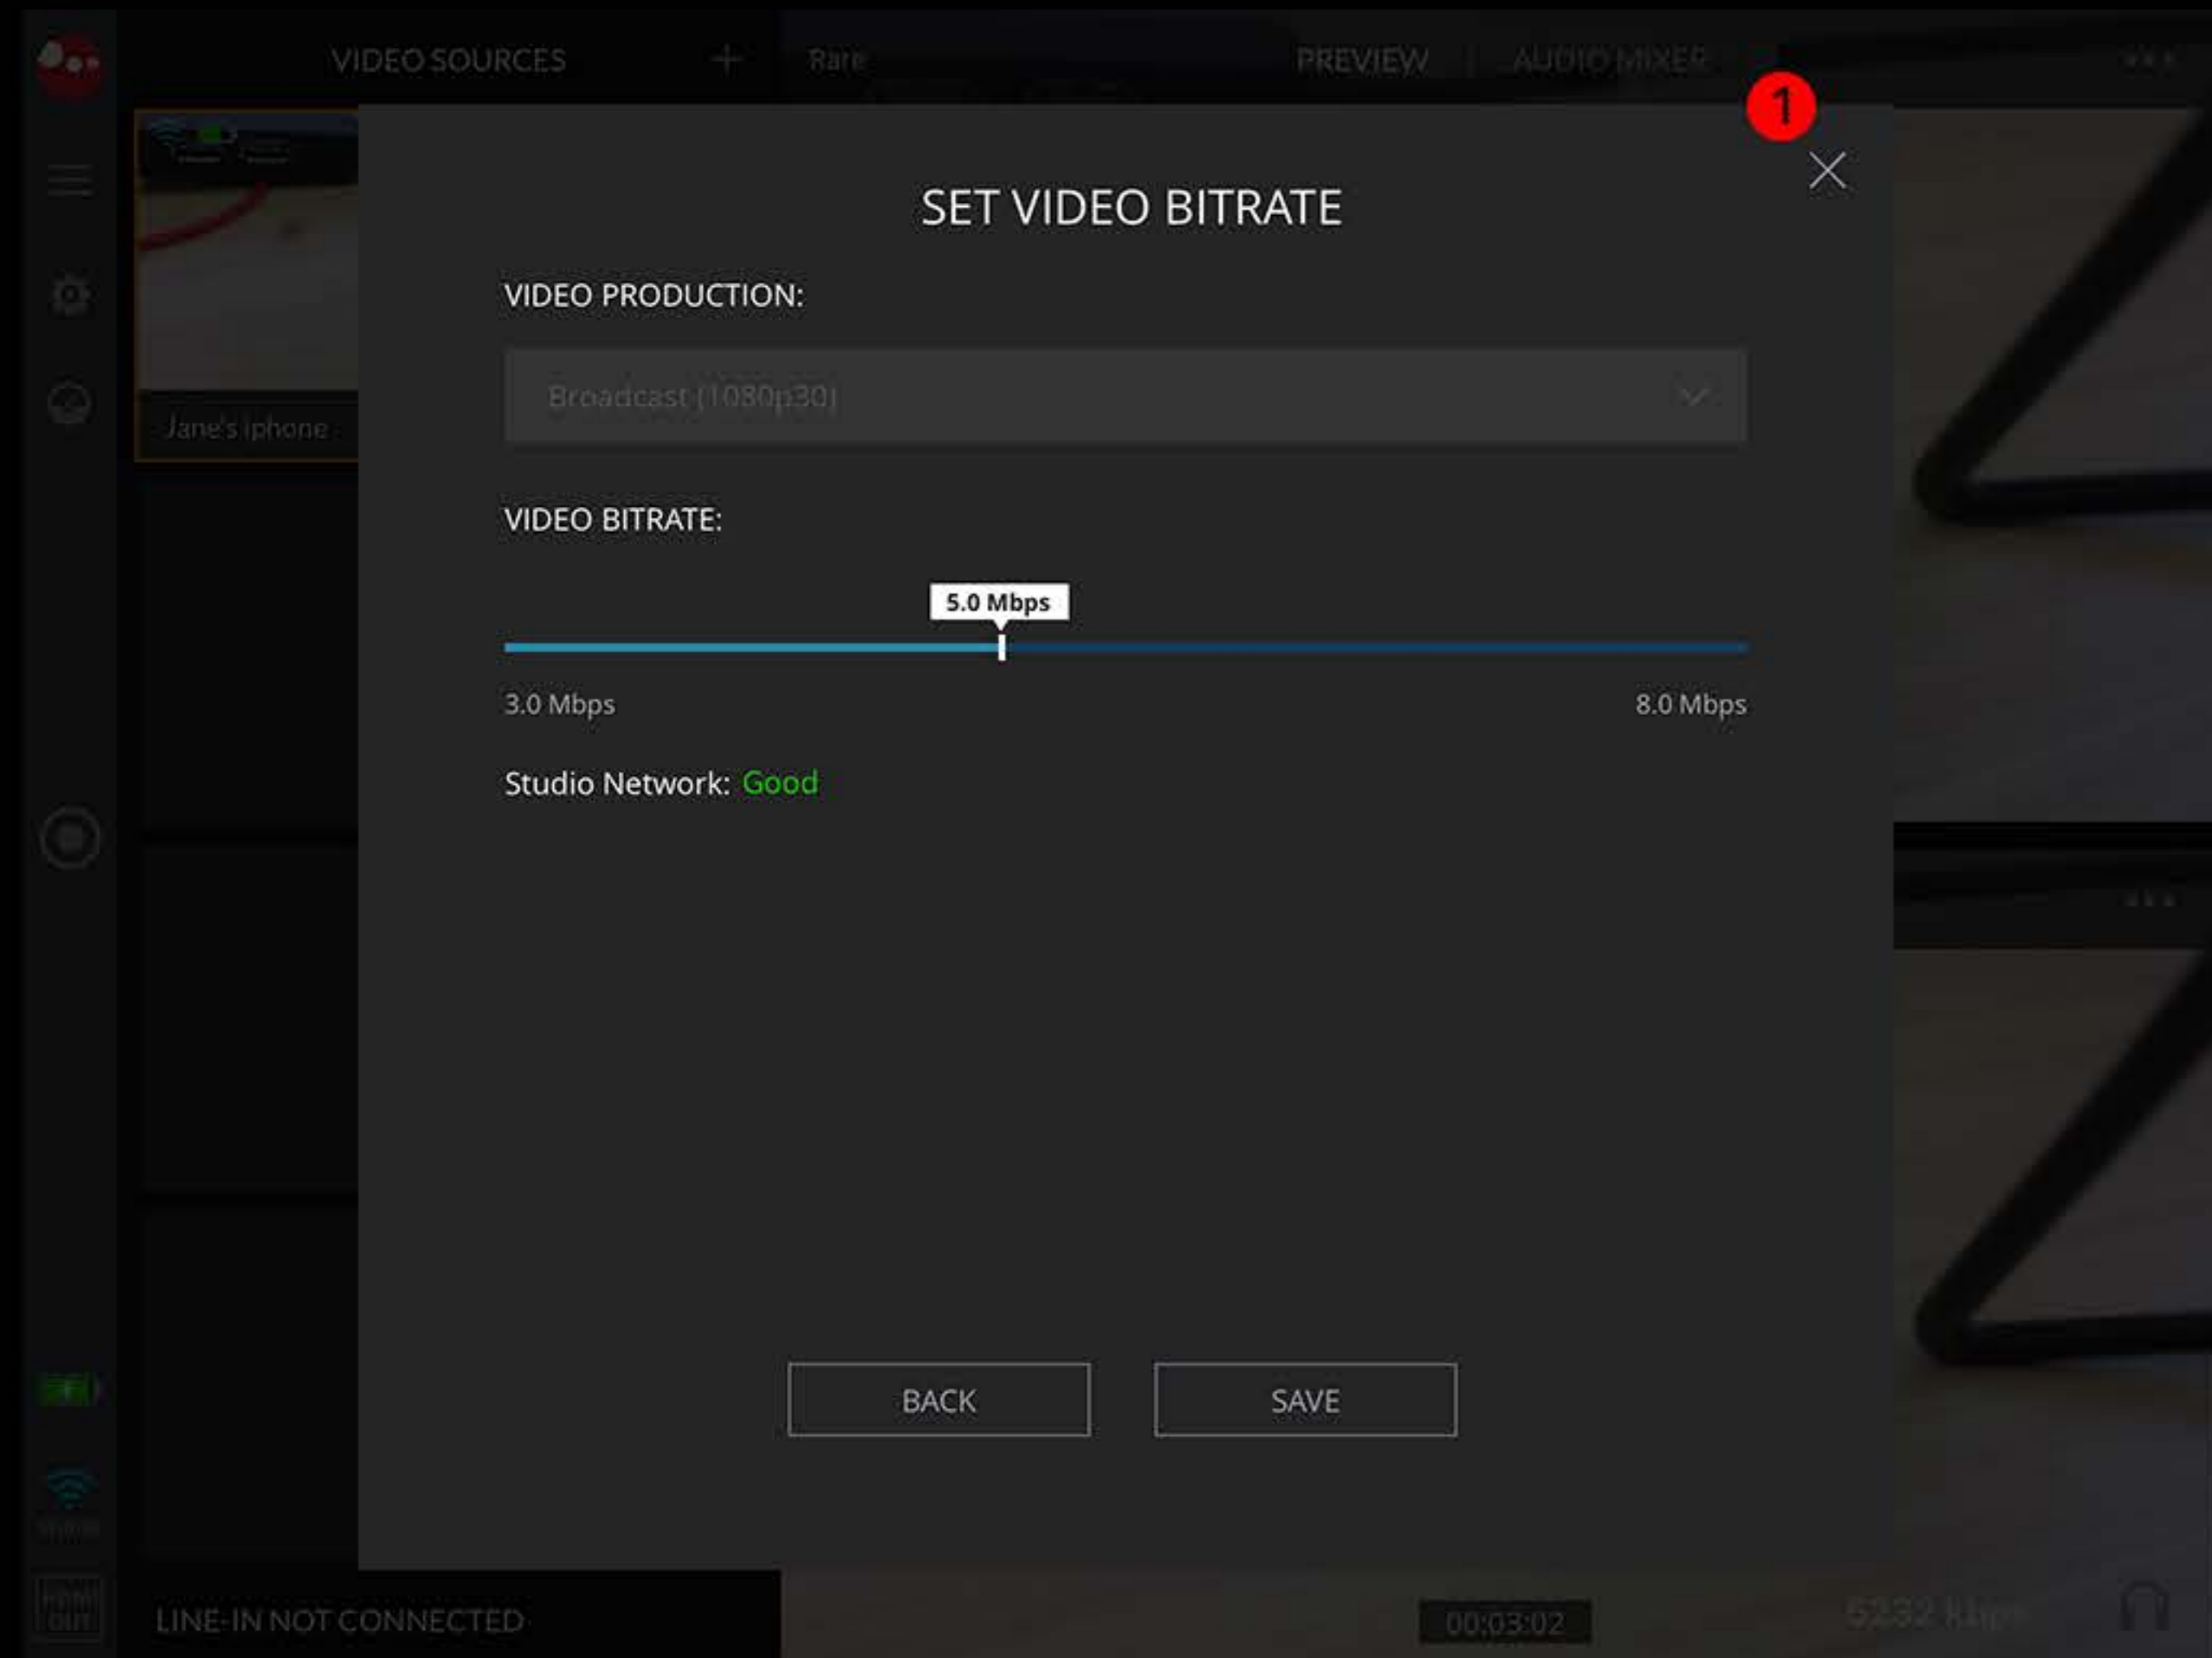

Selected

- 1 Use custom slice called "tri angle." "pdBubbleTri.png"
See mockup: 09-SP-Main-Enhancement (05-02-assets)

Missing white background with blue text when it is selected

Three dots(option icon) should be white when it is hover and selected.

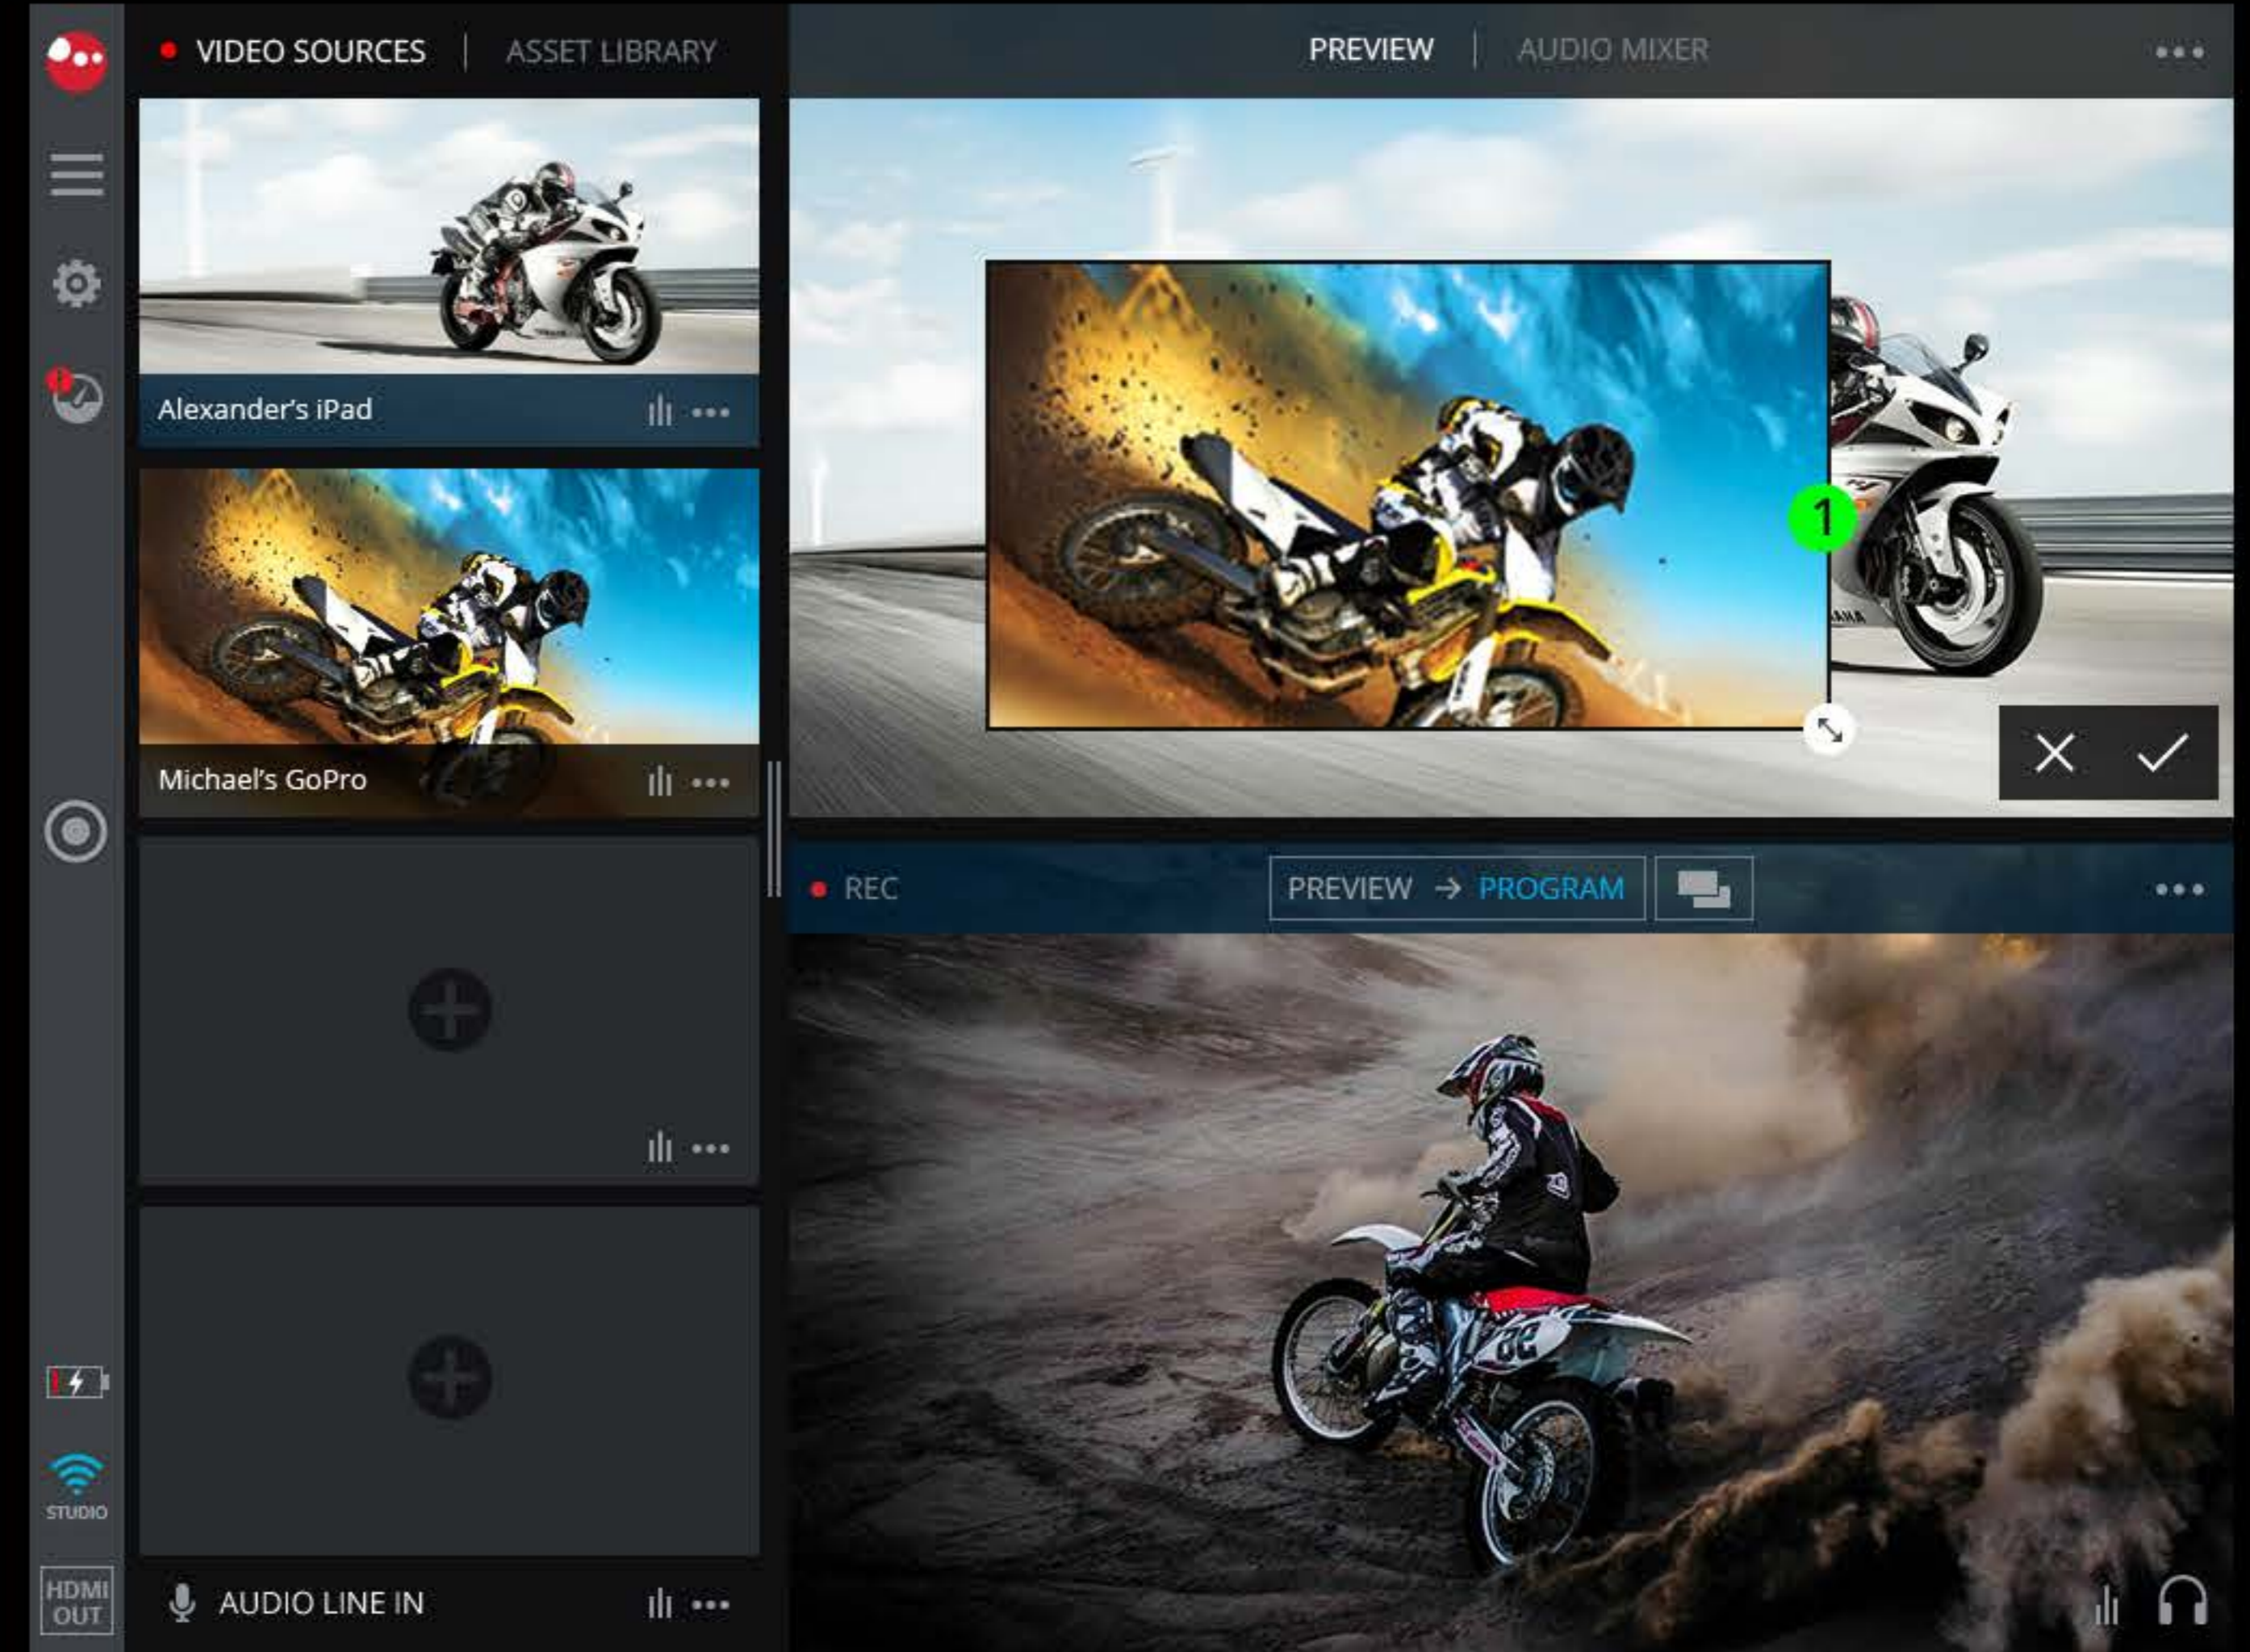

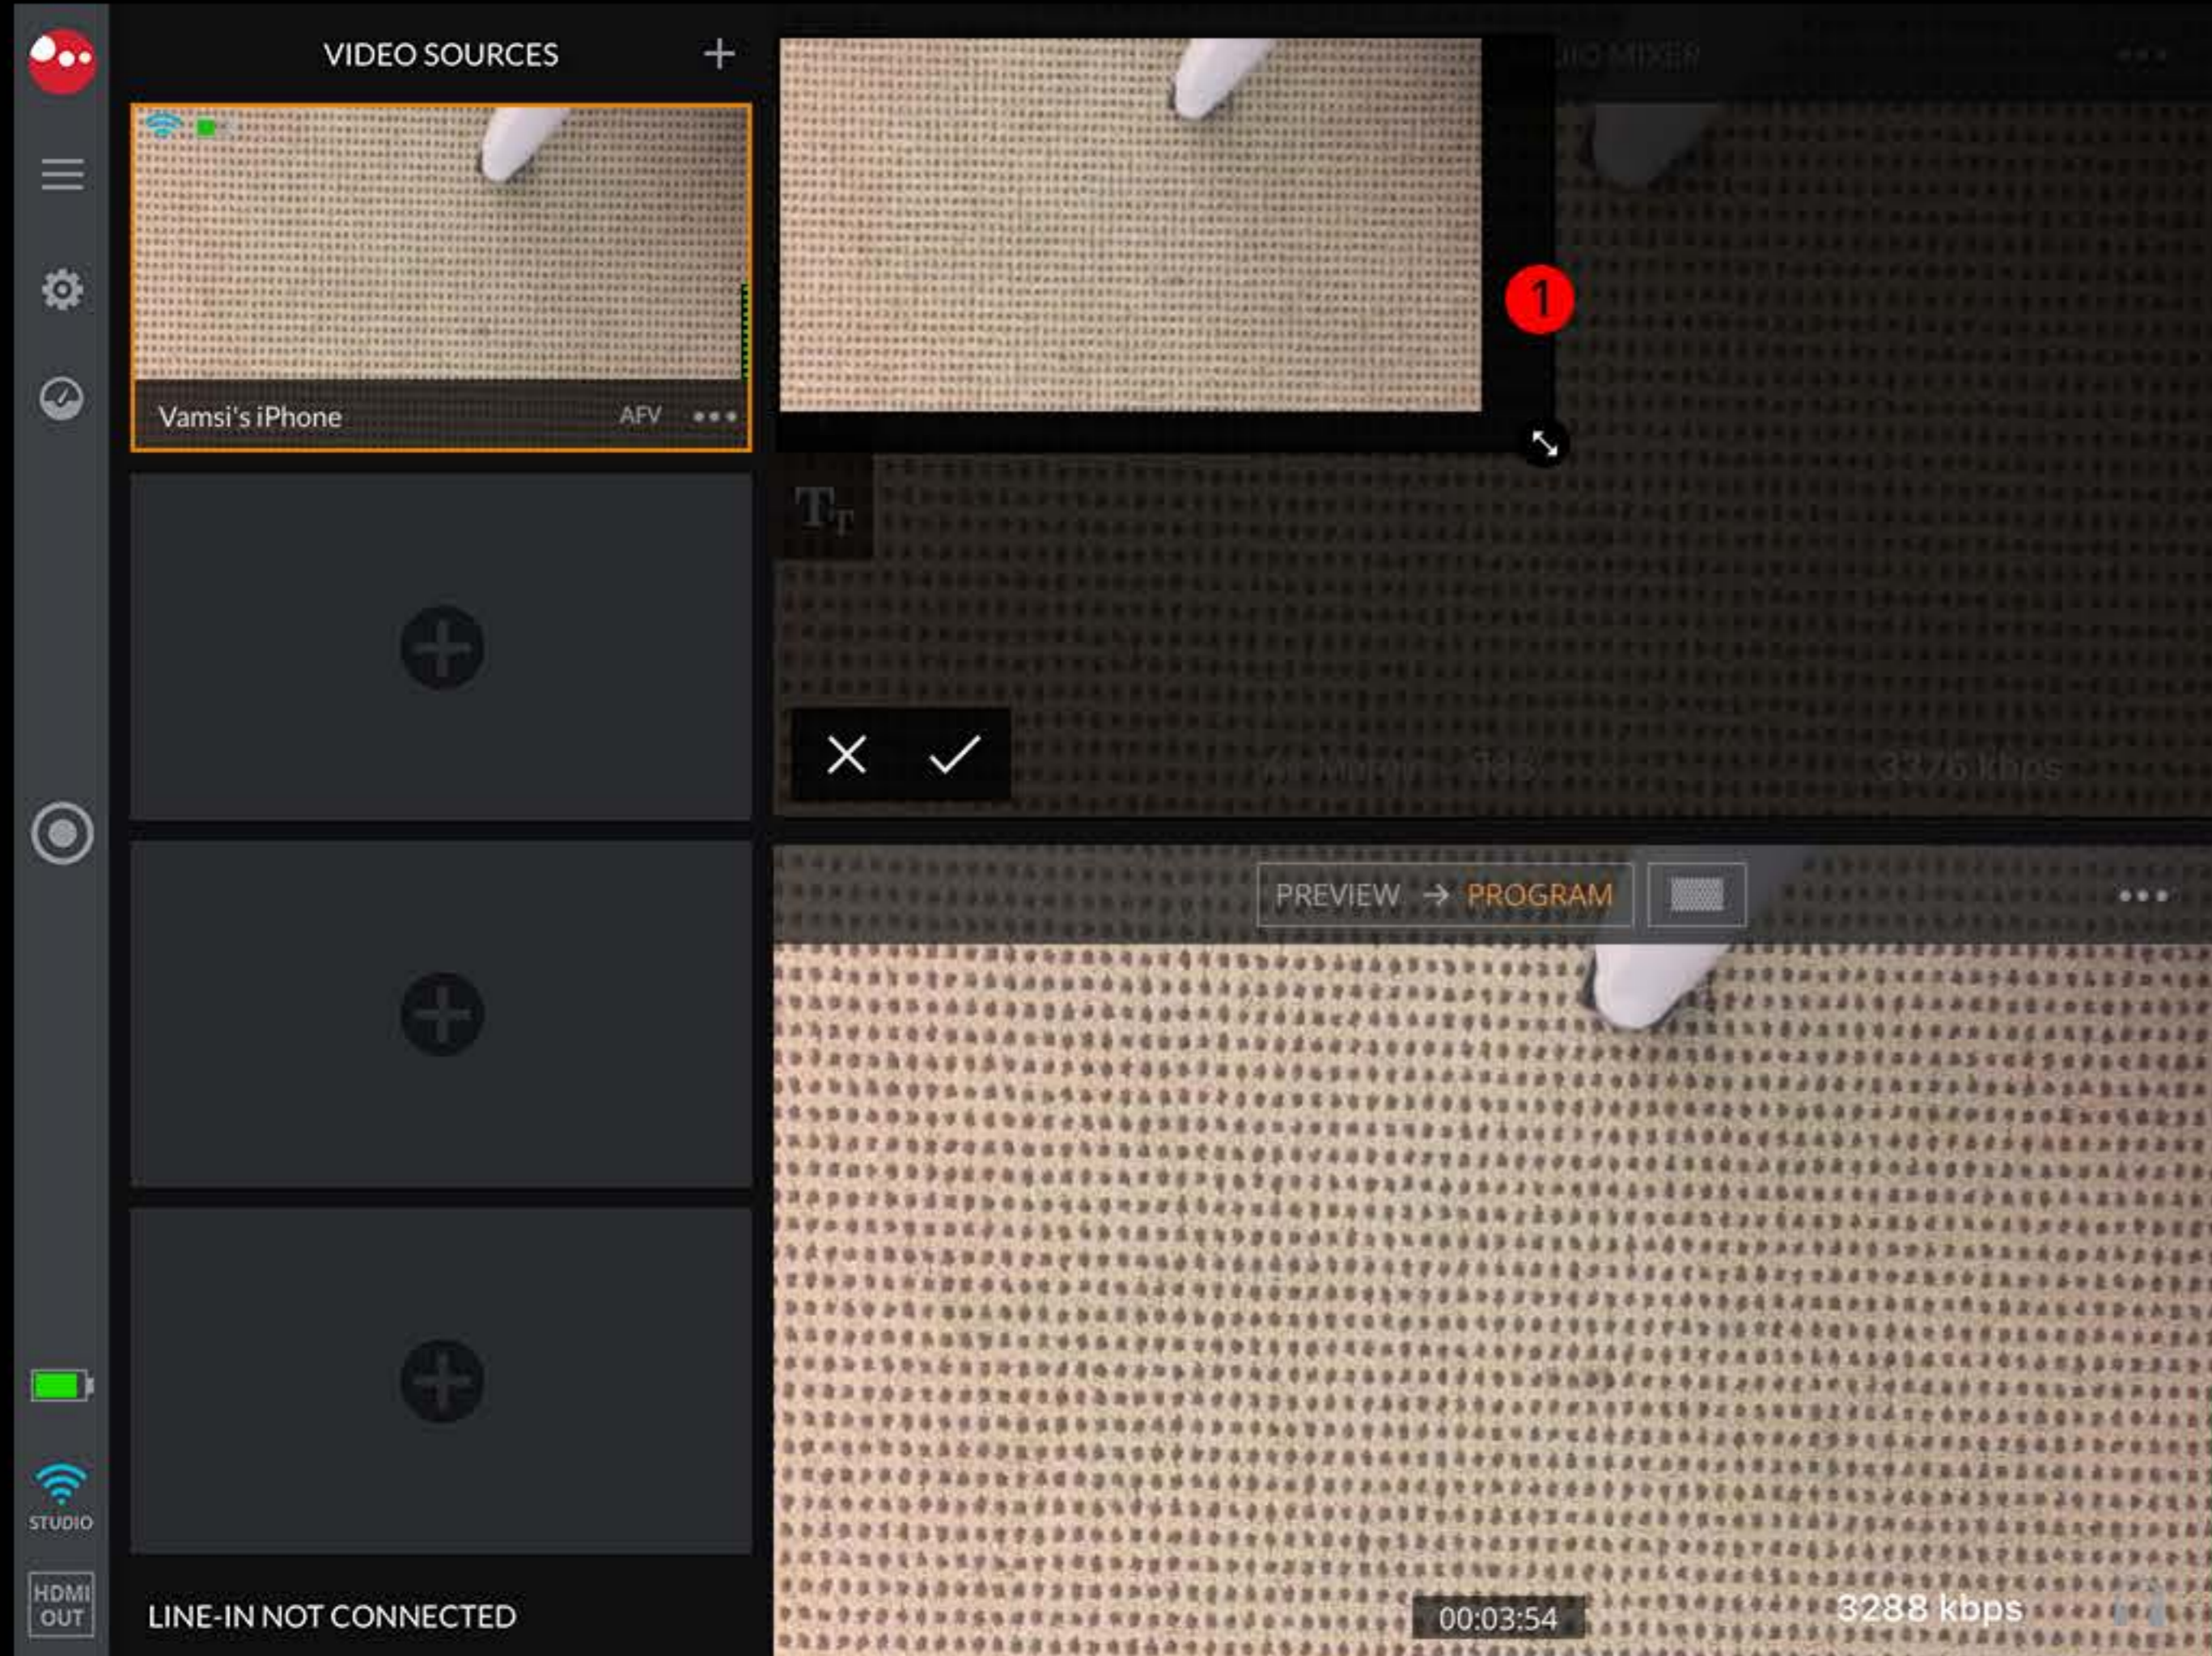

1 Global. Correct selected state for the close button.

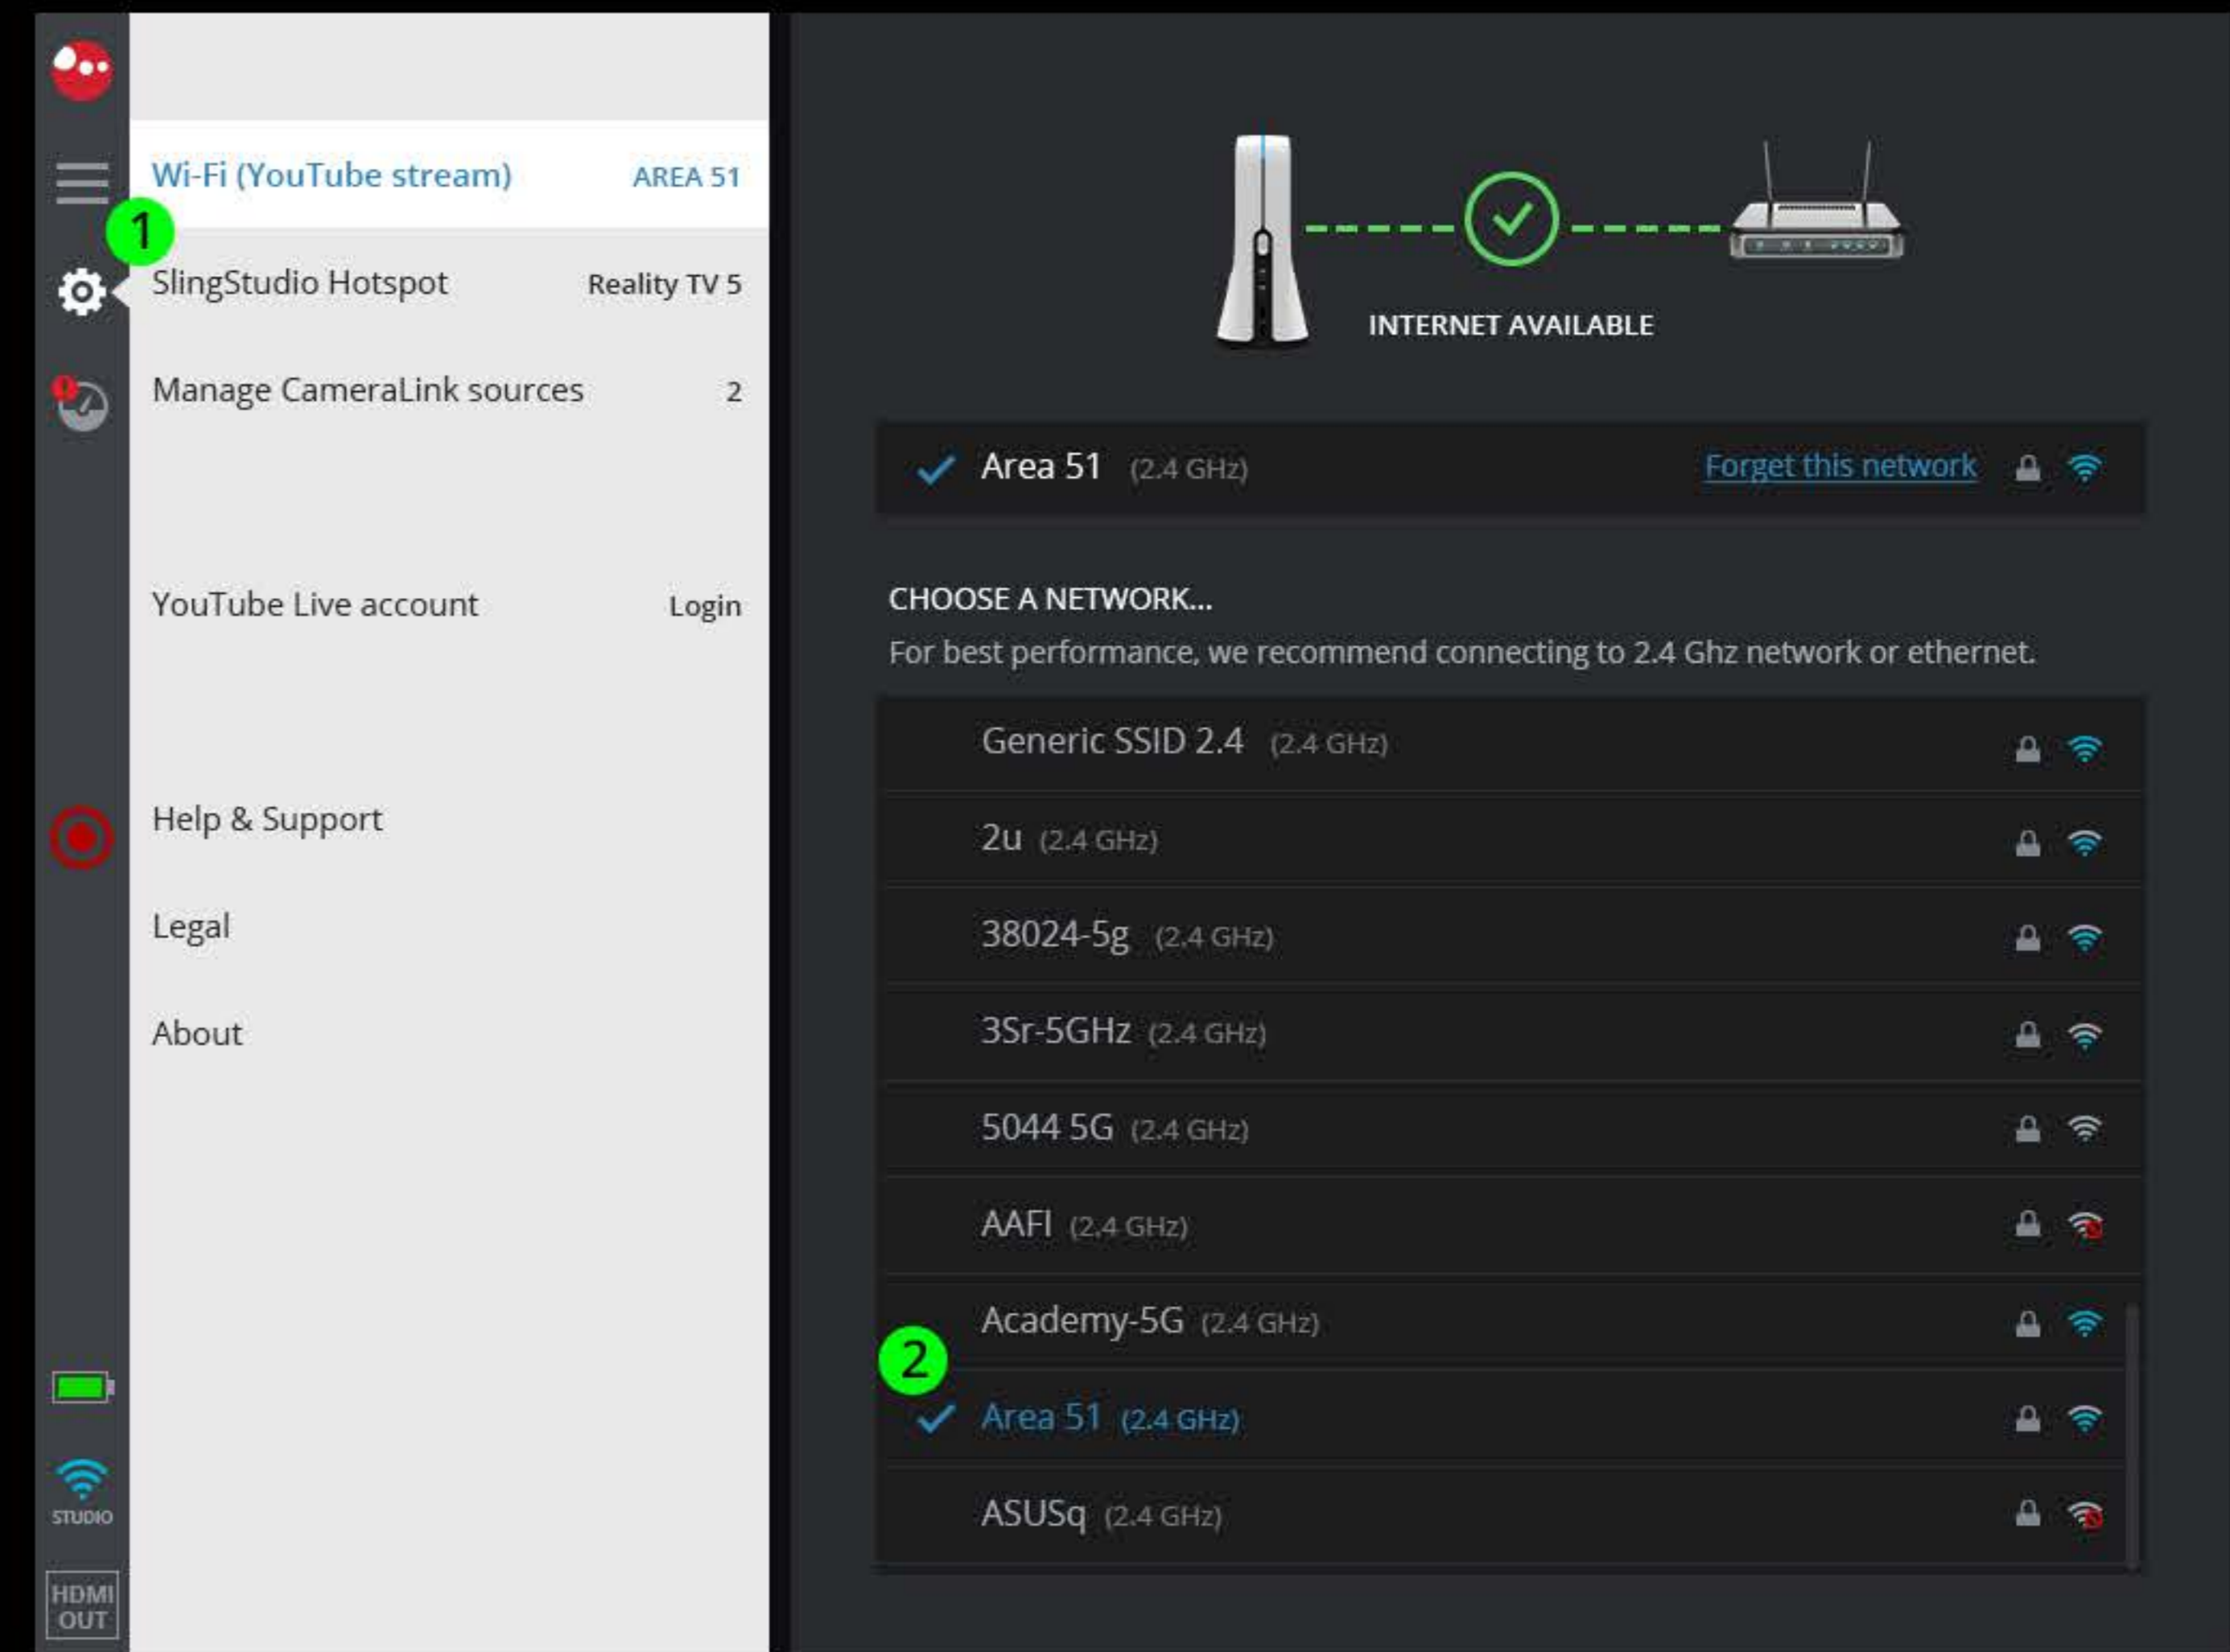

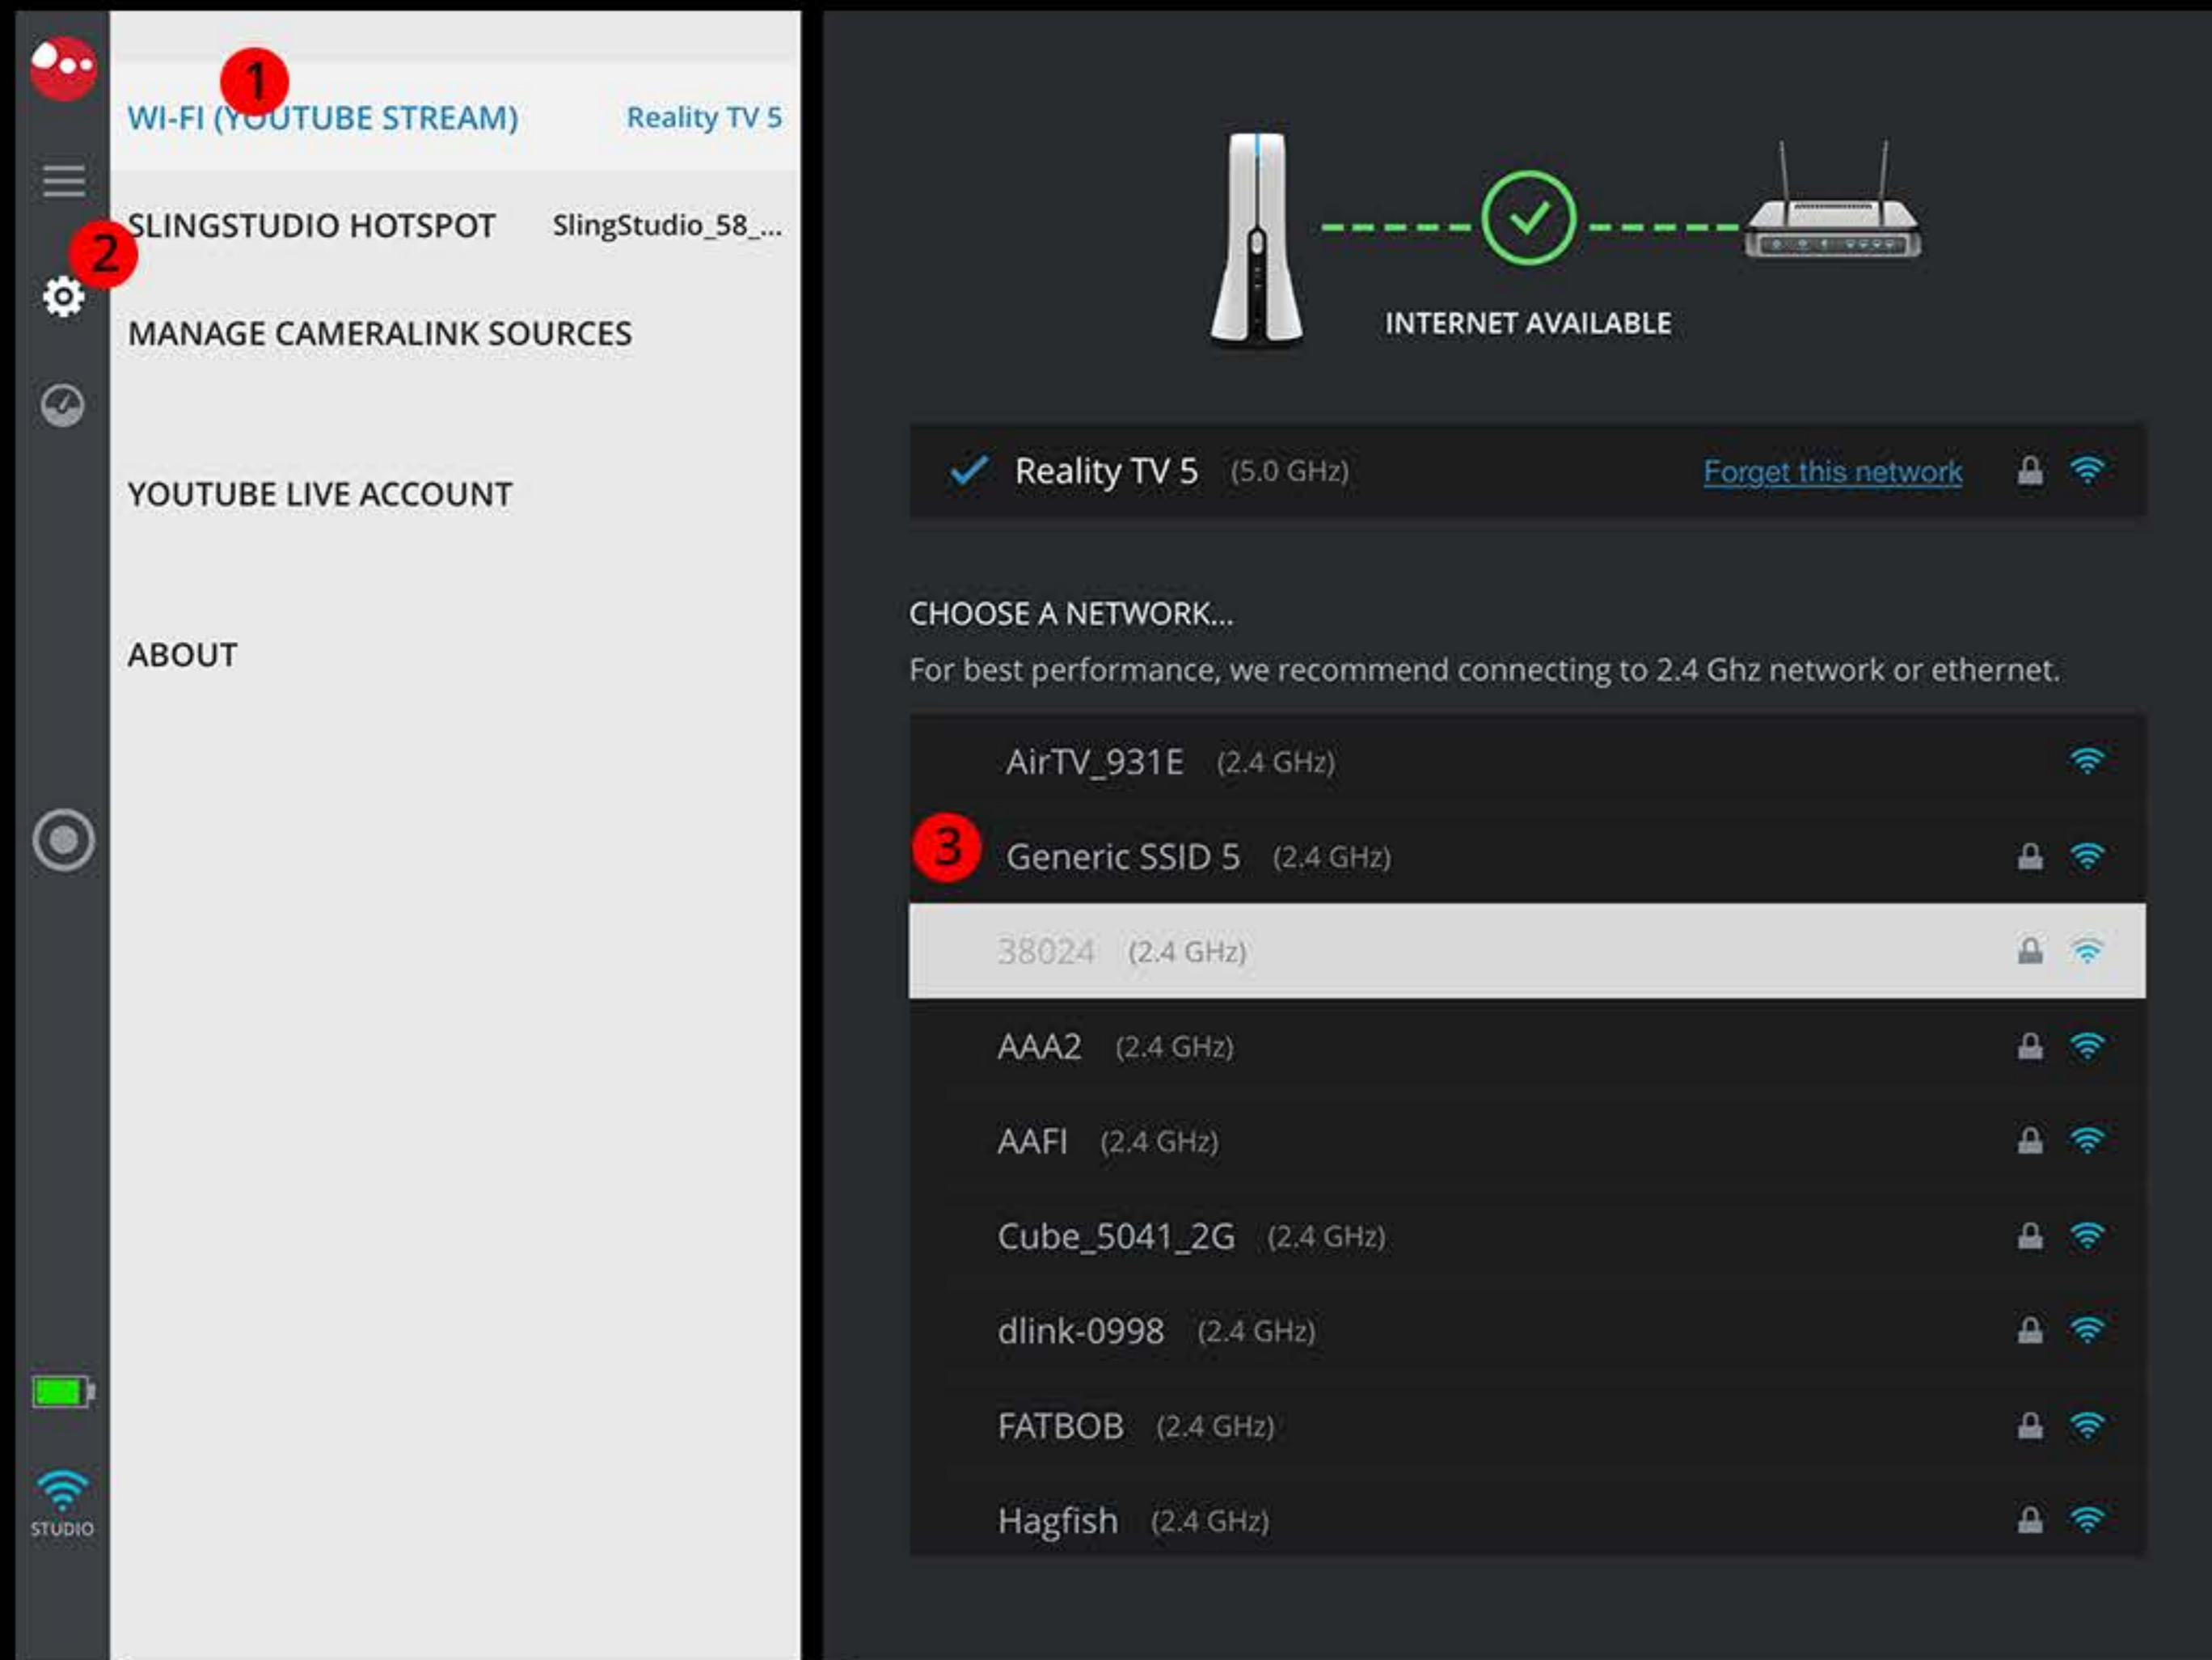

Normal State
"-ge-close normal.png"

Selected State
"closeSelected.png"

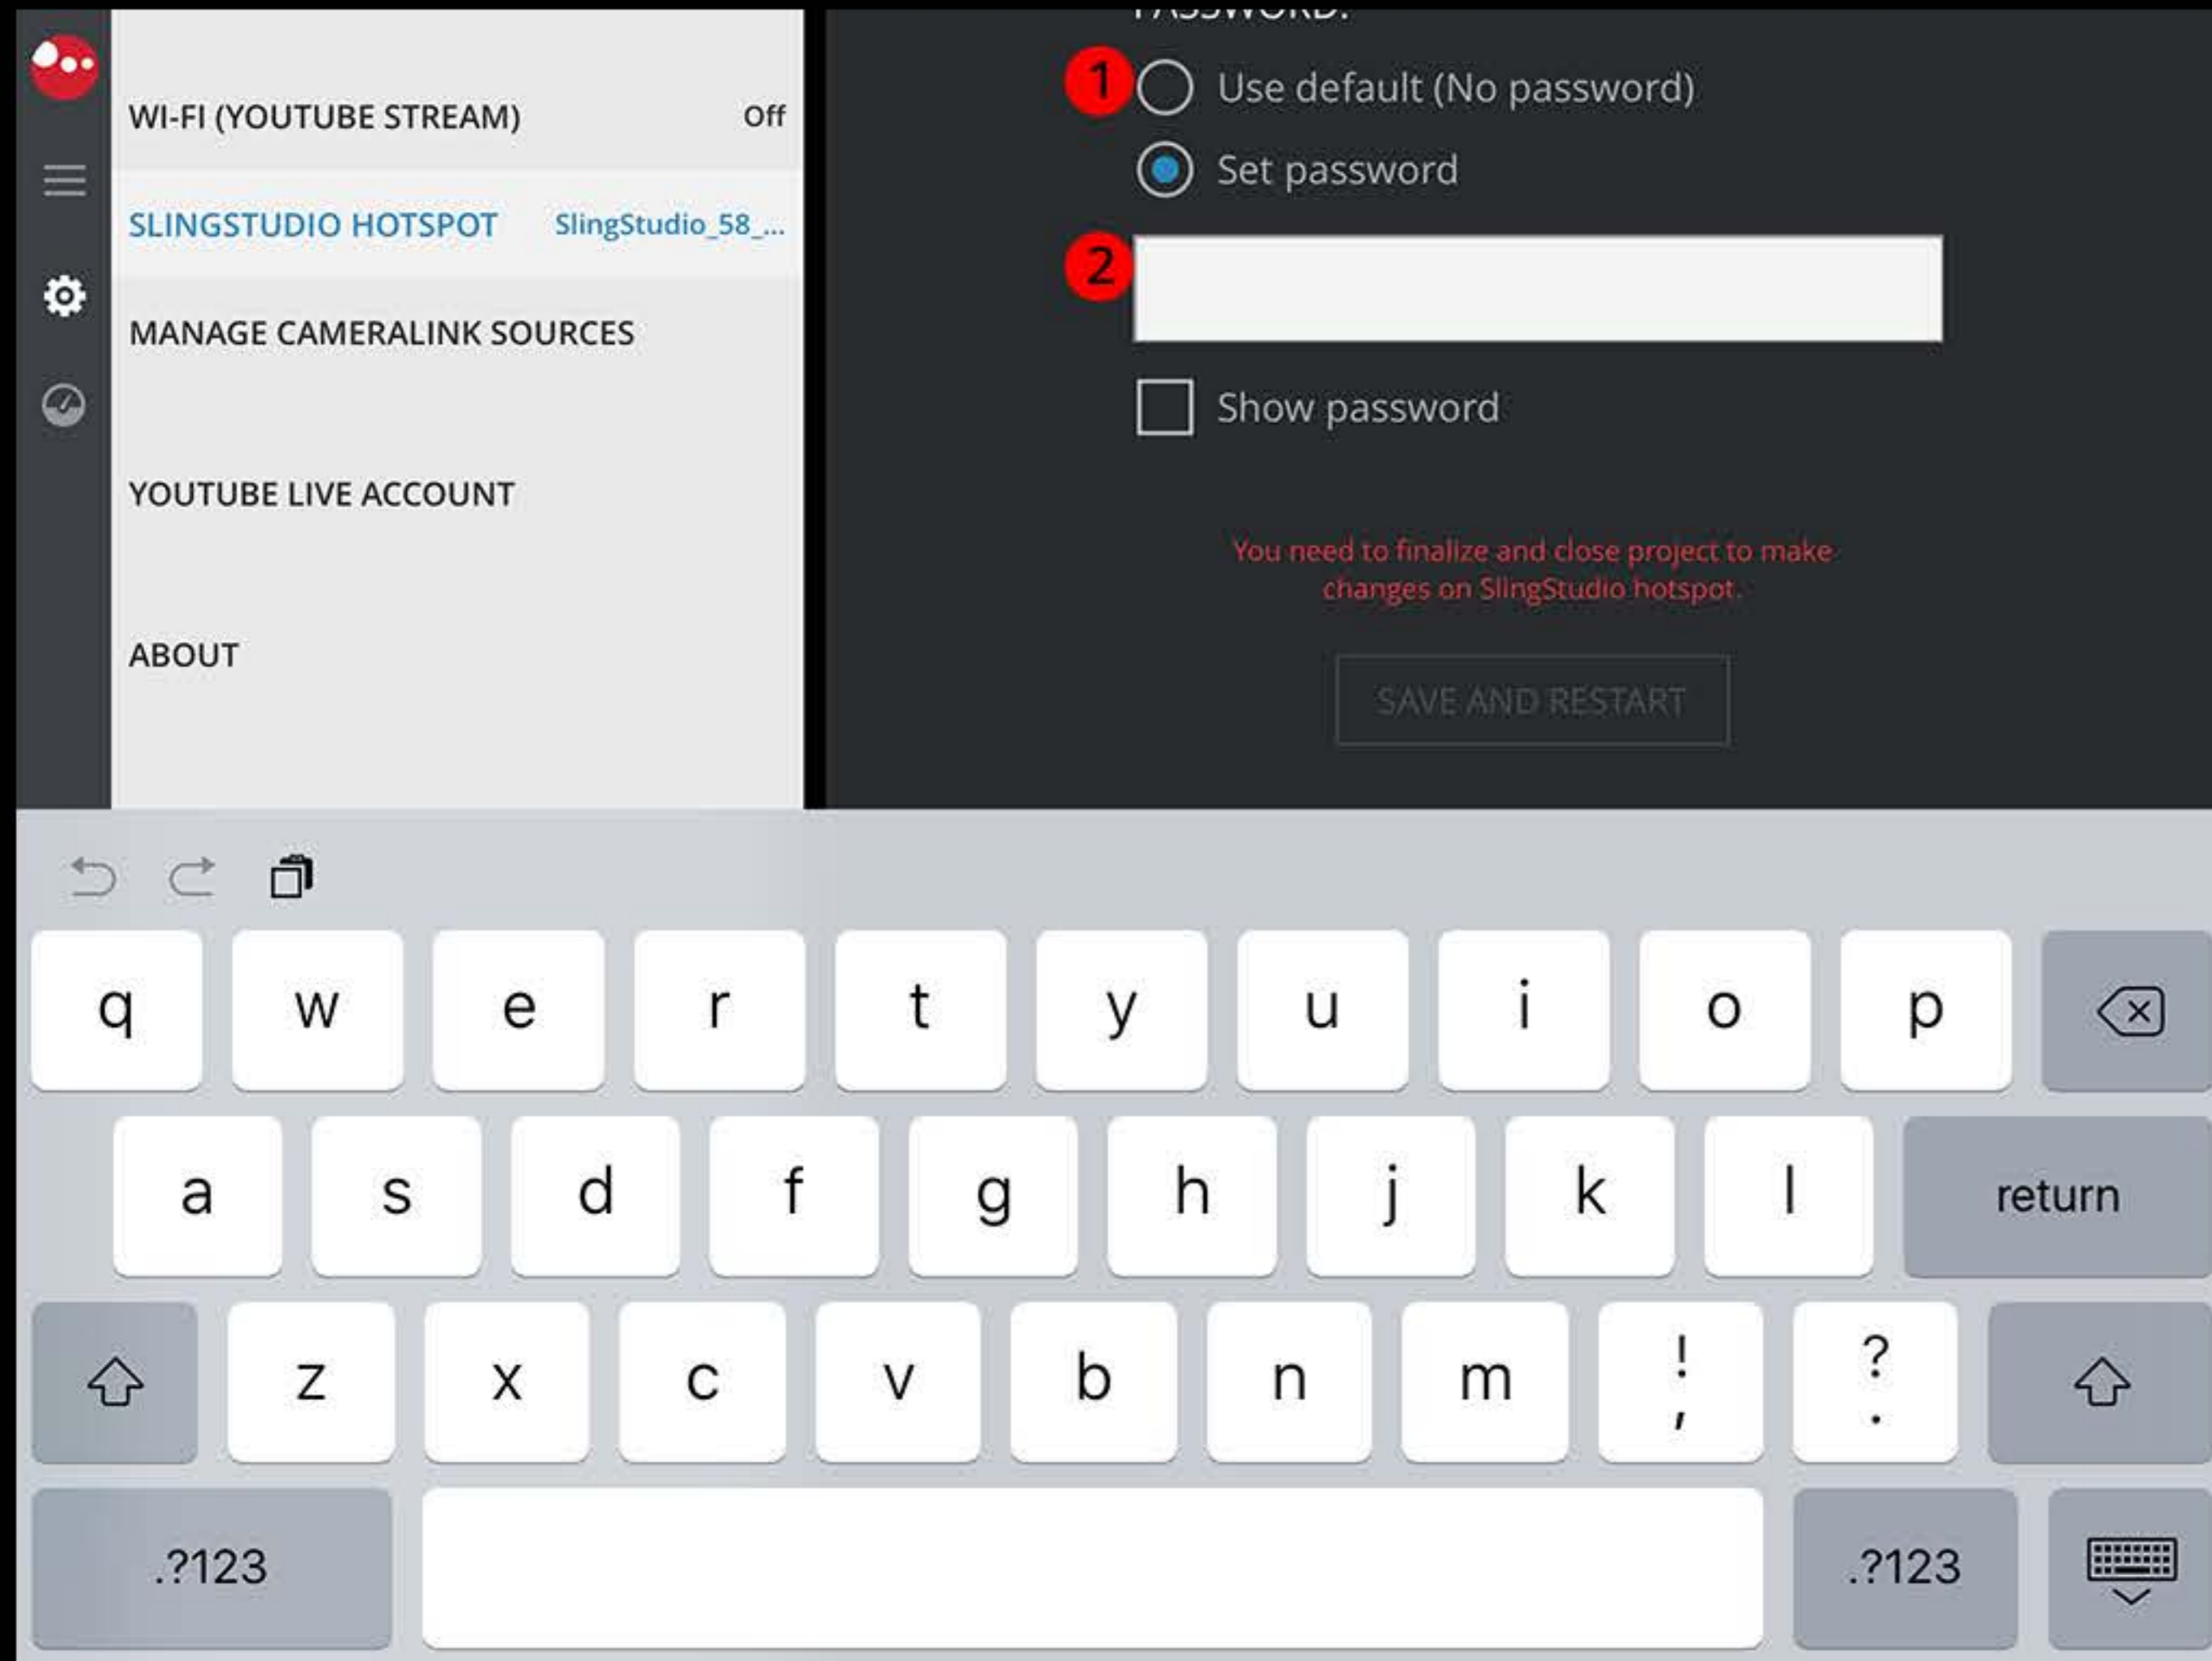

1 Remove unnecessary black background.

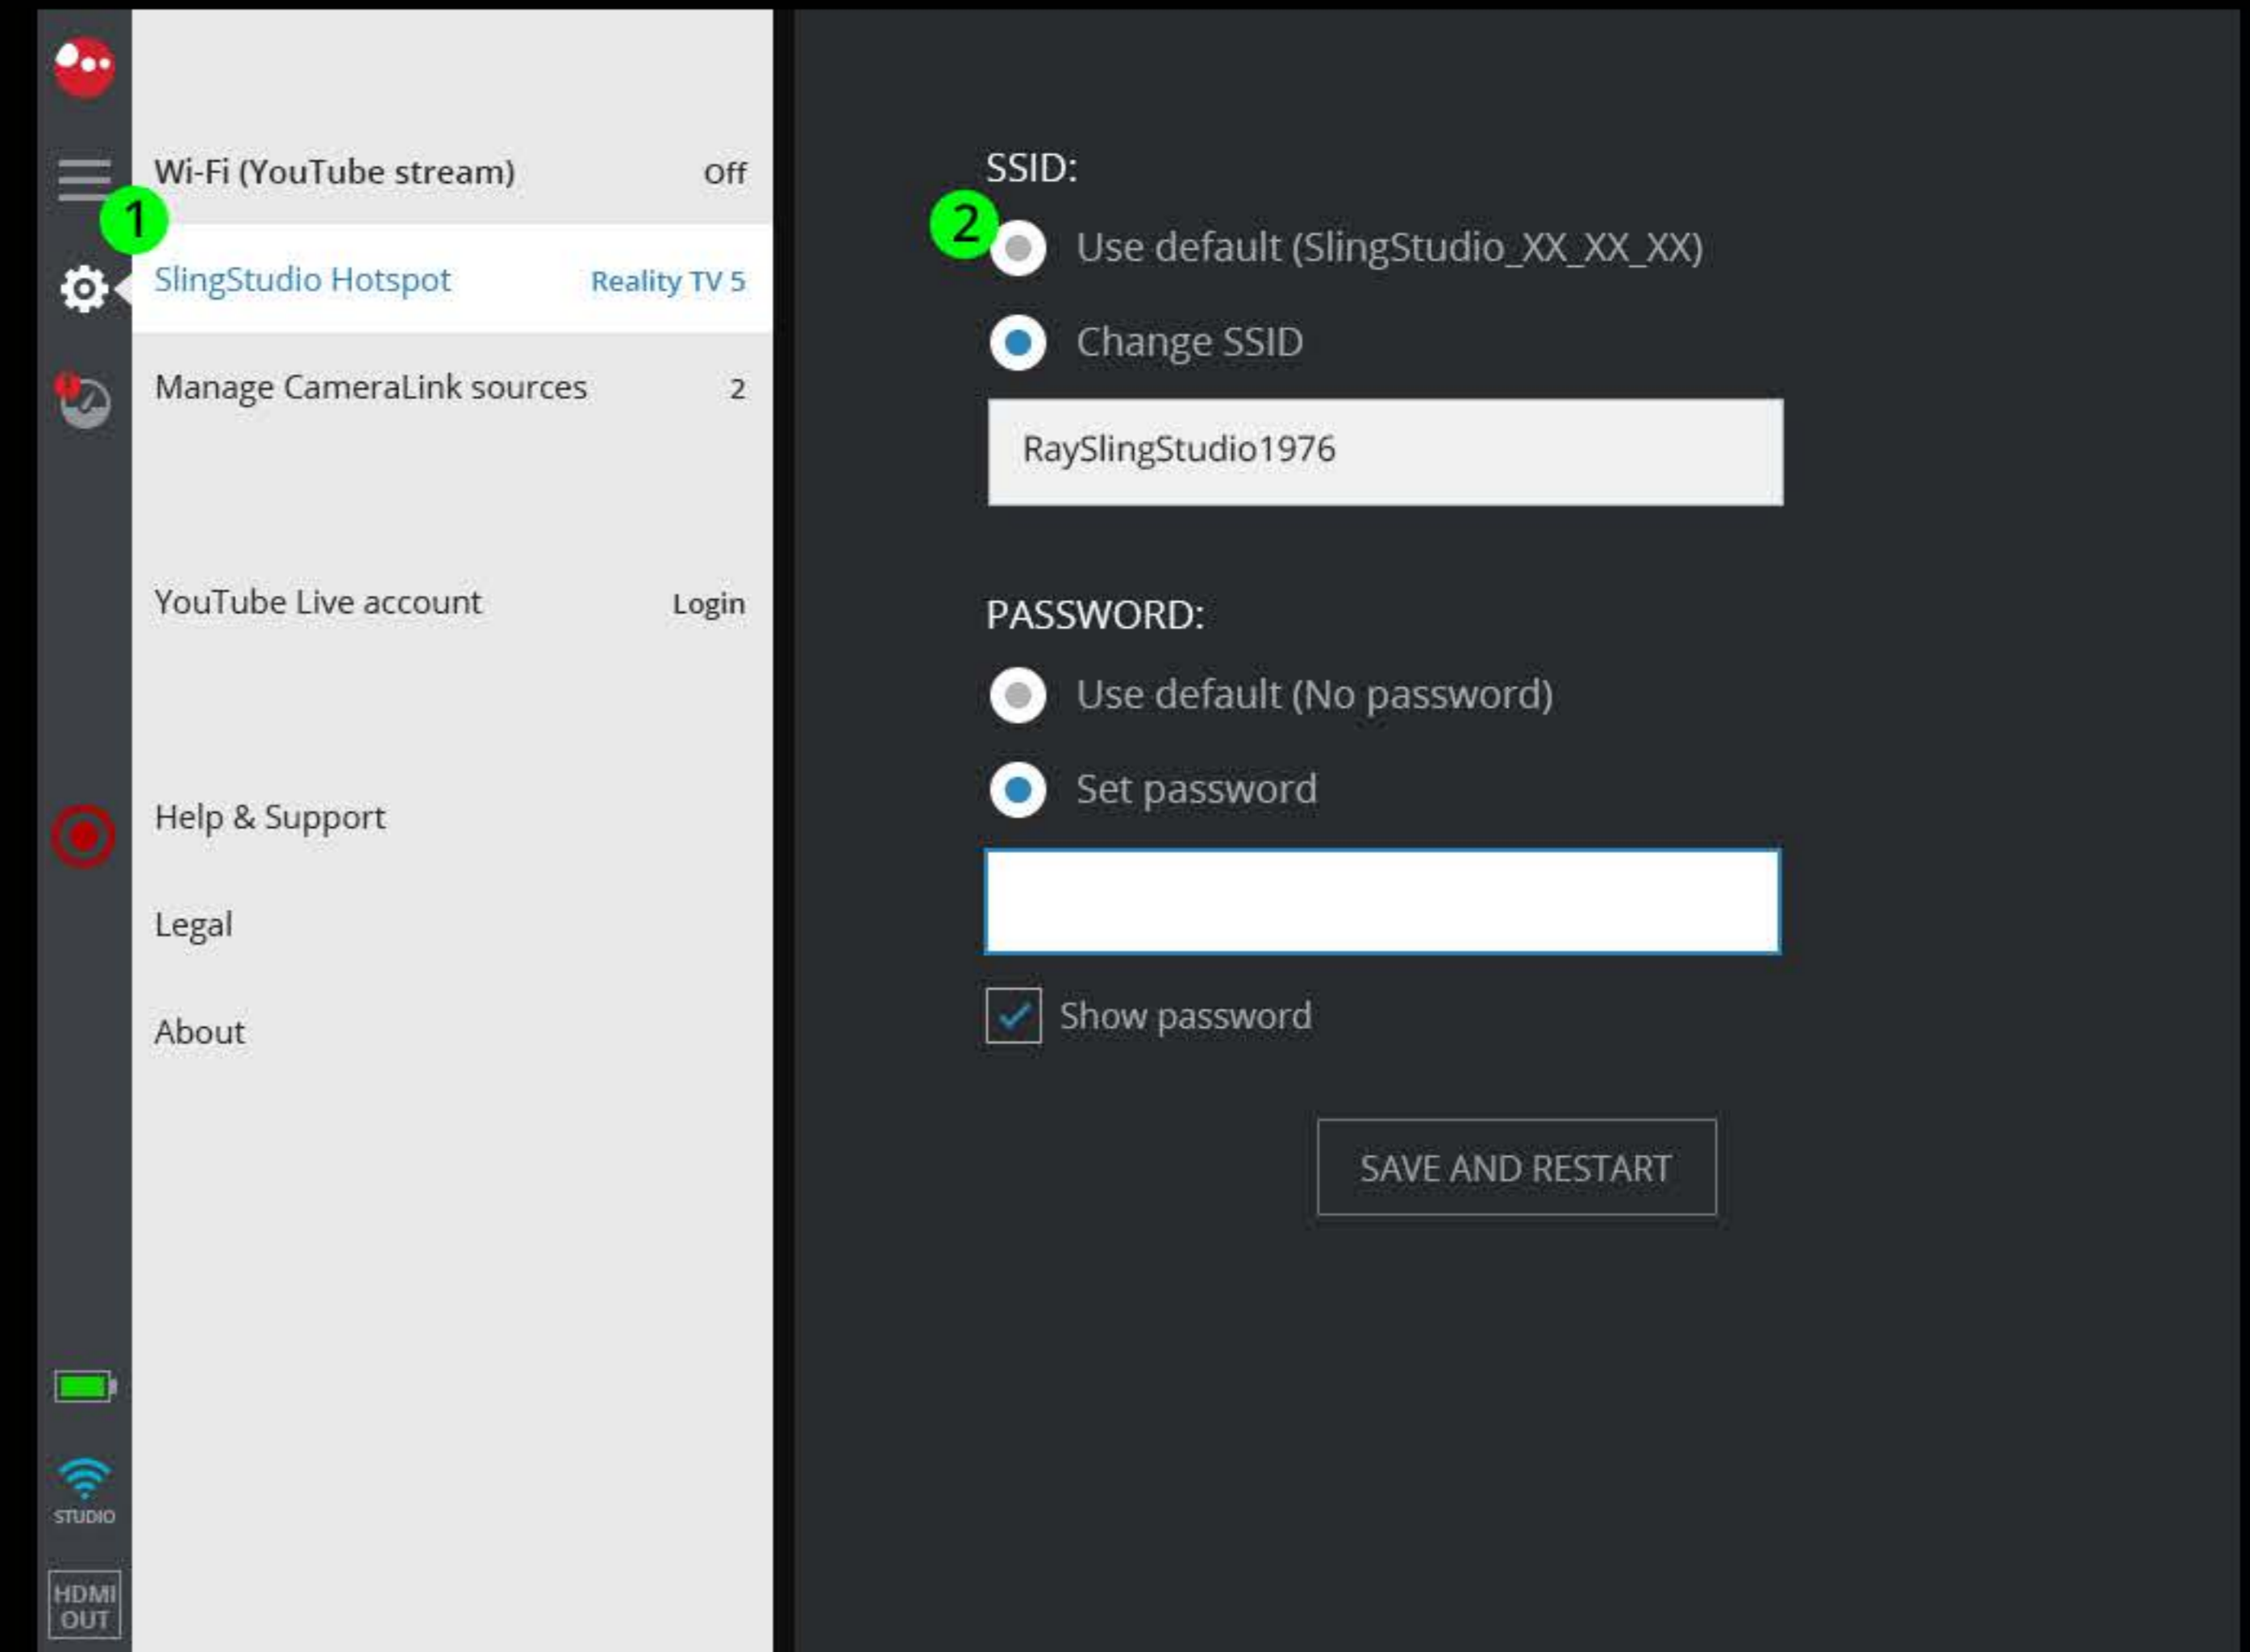

- 1 Need to update to lower case letters.
- 2 Missing triangle graphic. Use slice "pdSettingsTriangle.png"
- 3 Correct selected status. There is no white bar .
It shows the check icon and blue text when it is selected.

IMPLEMENTATION V. 0.15.25

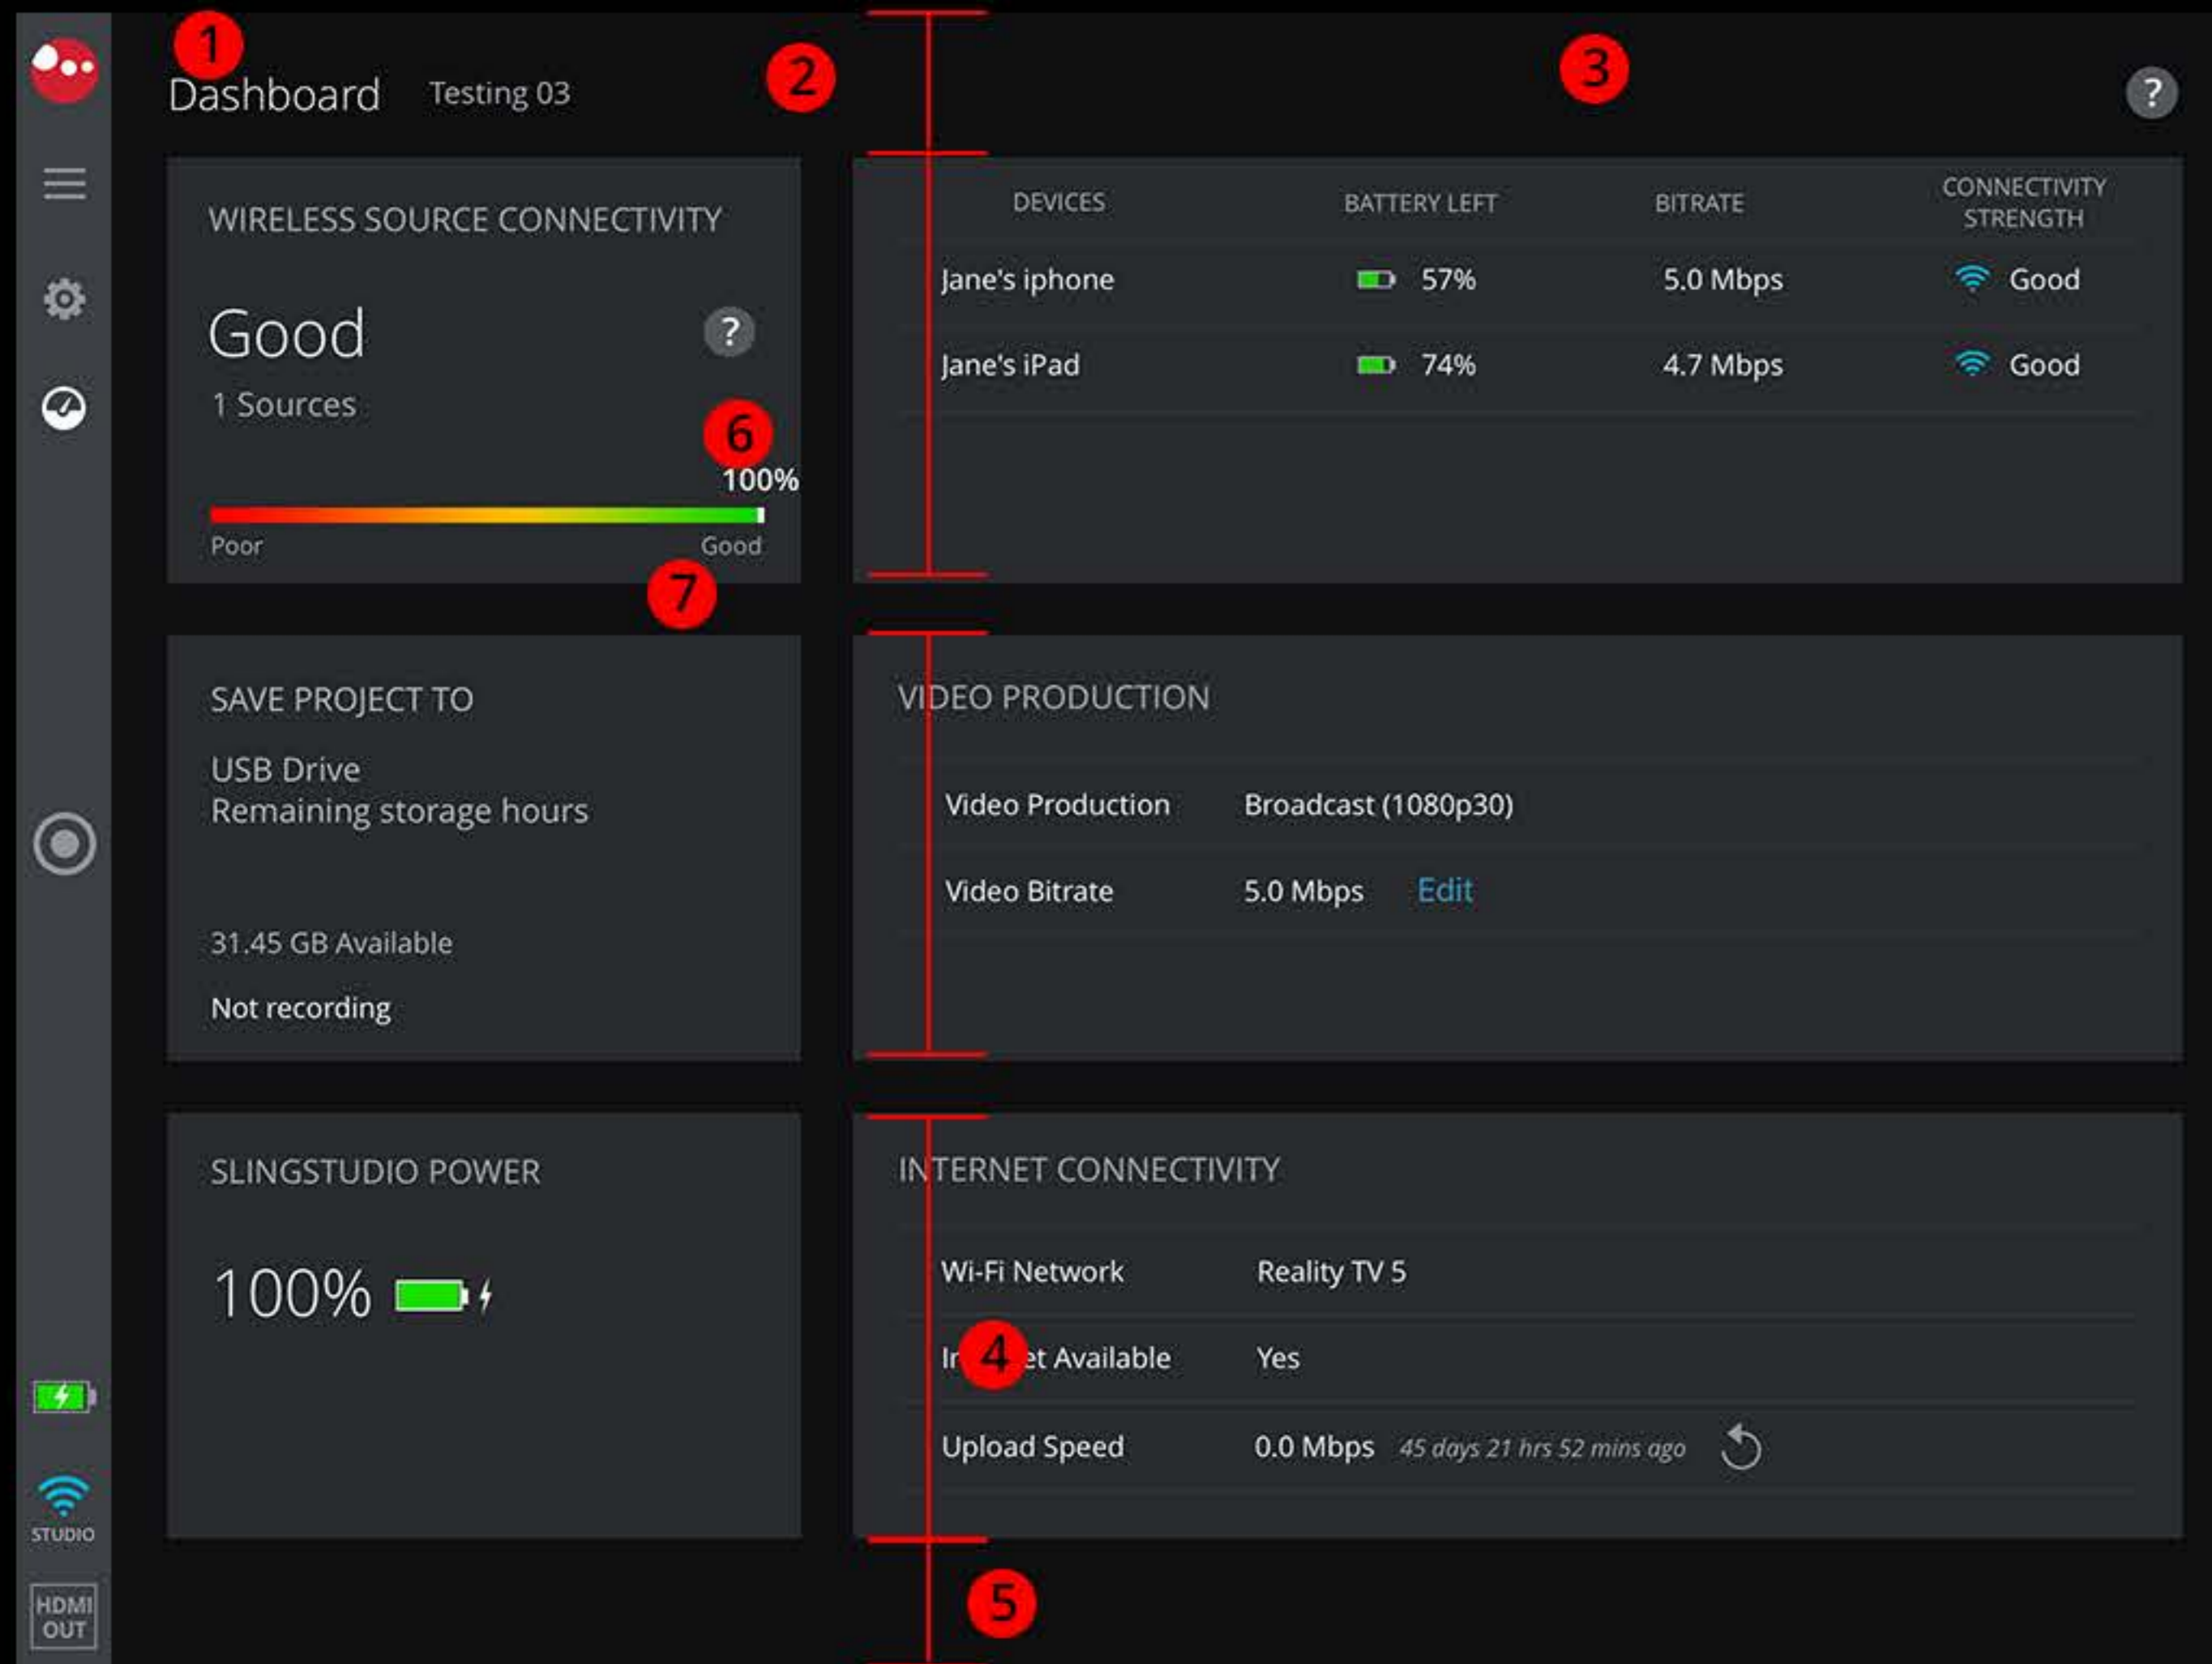

UI MOCKUP

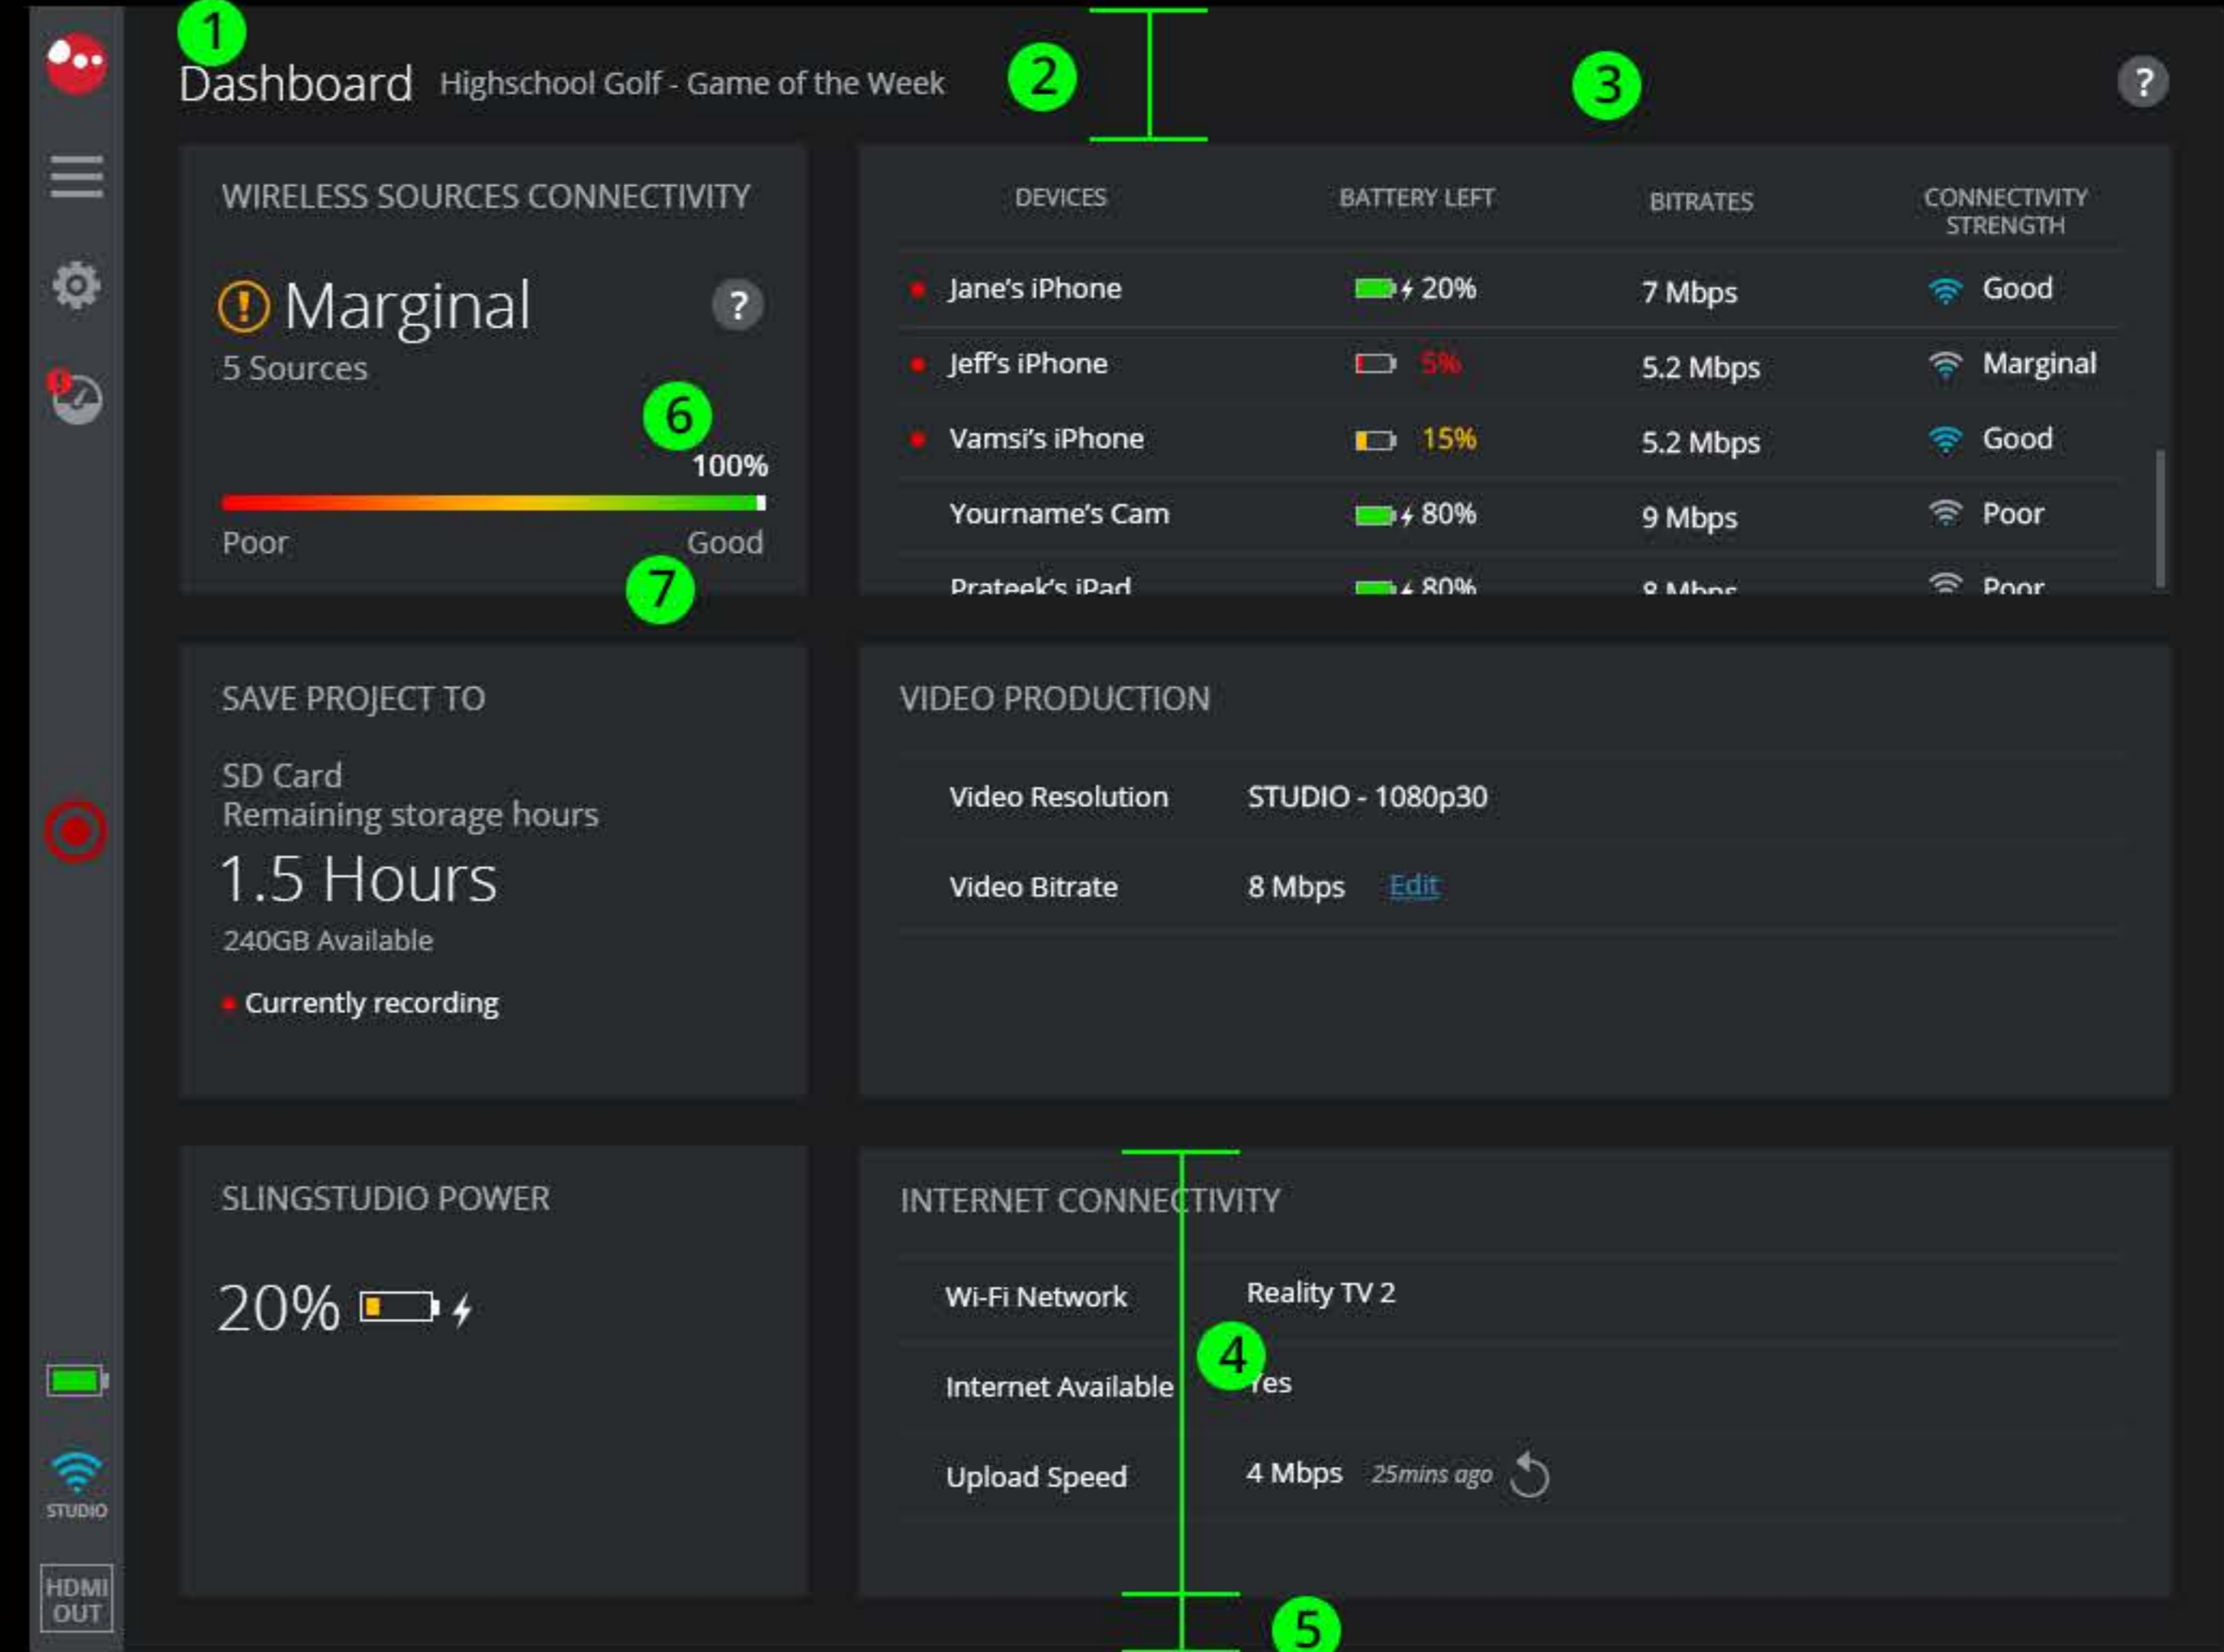

1 Correct slices. "pdSetRadioButSelected" and "pdSetRadioButNormal.png"

1 Global Missing focus state. 2px RGB:43,134,186

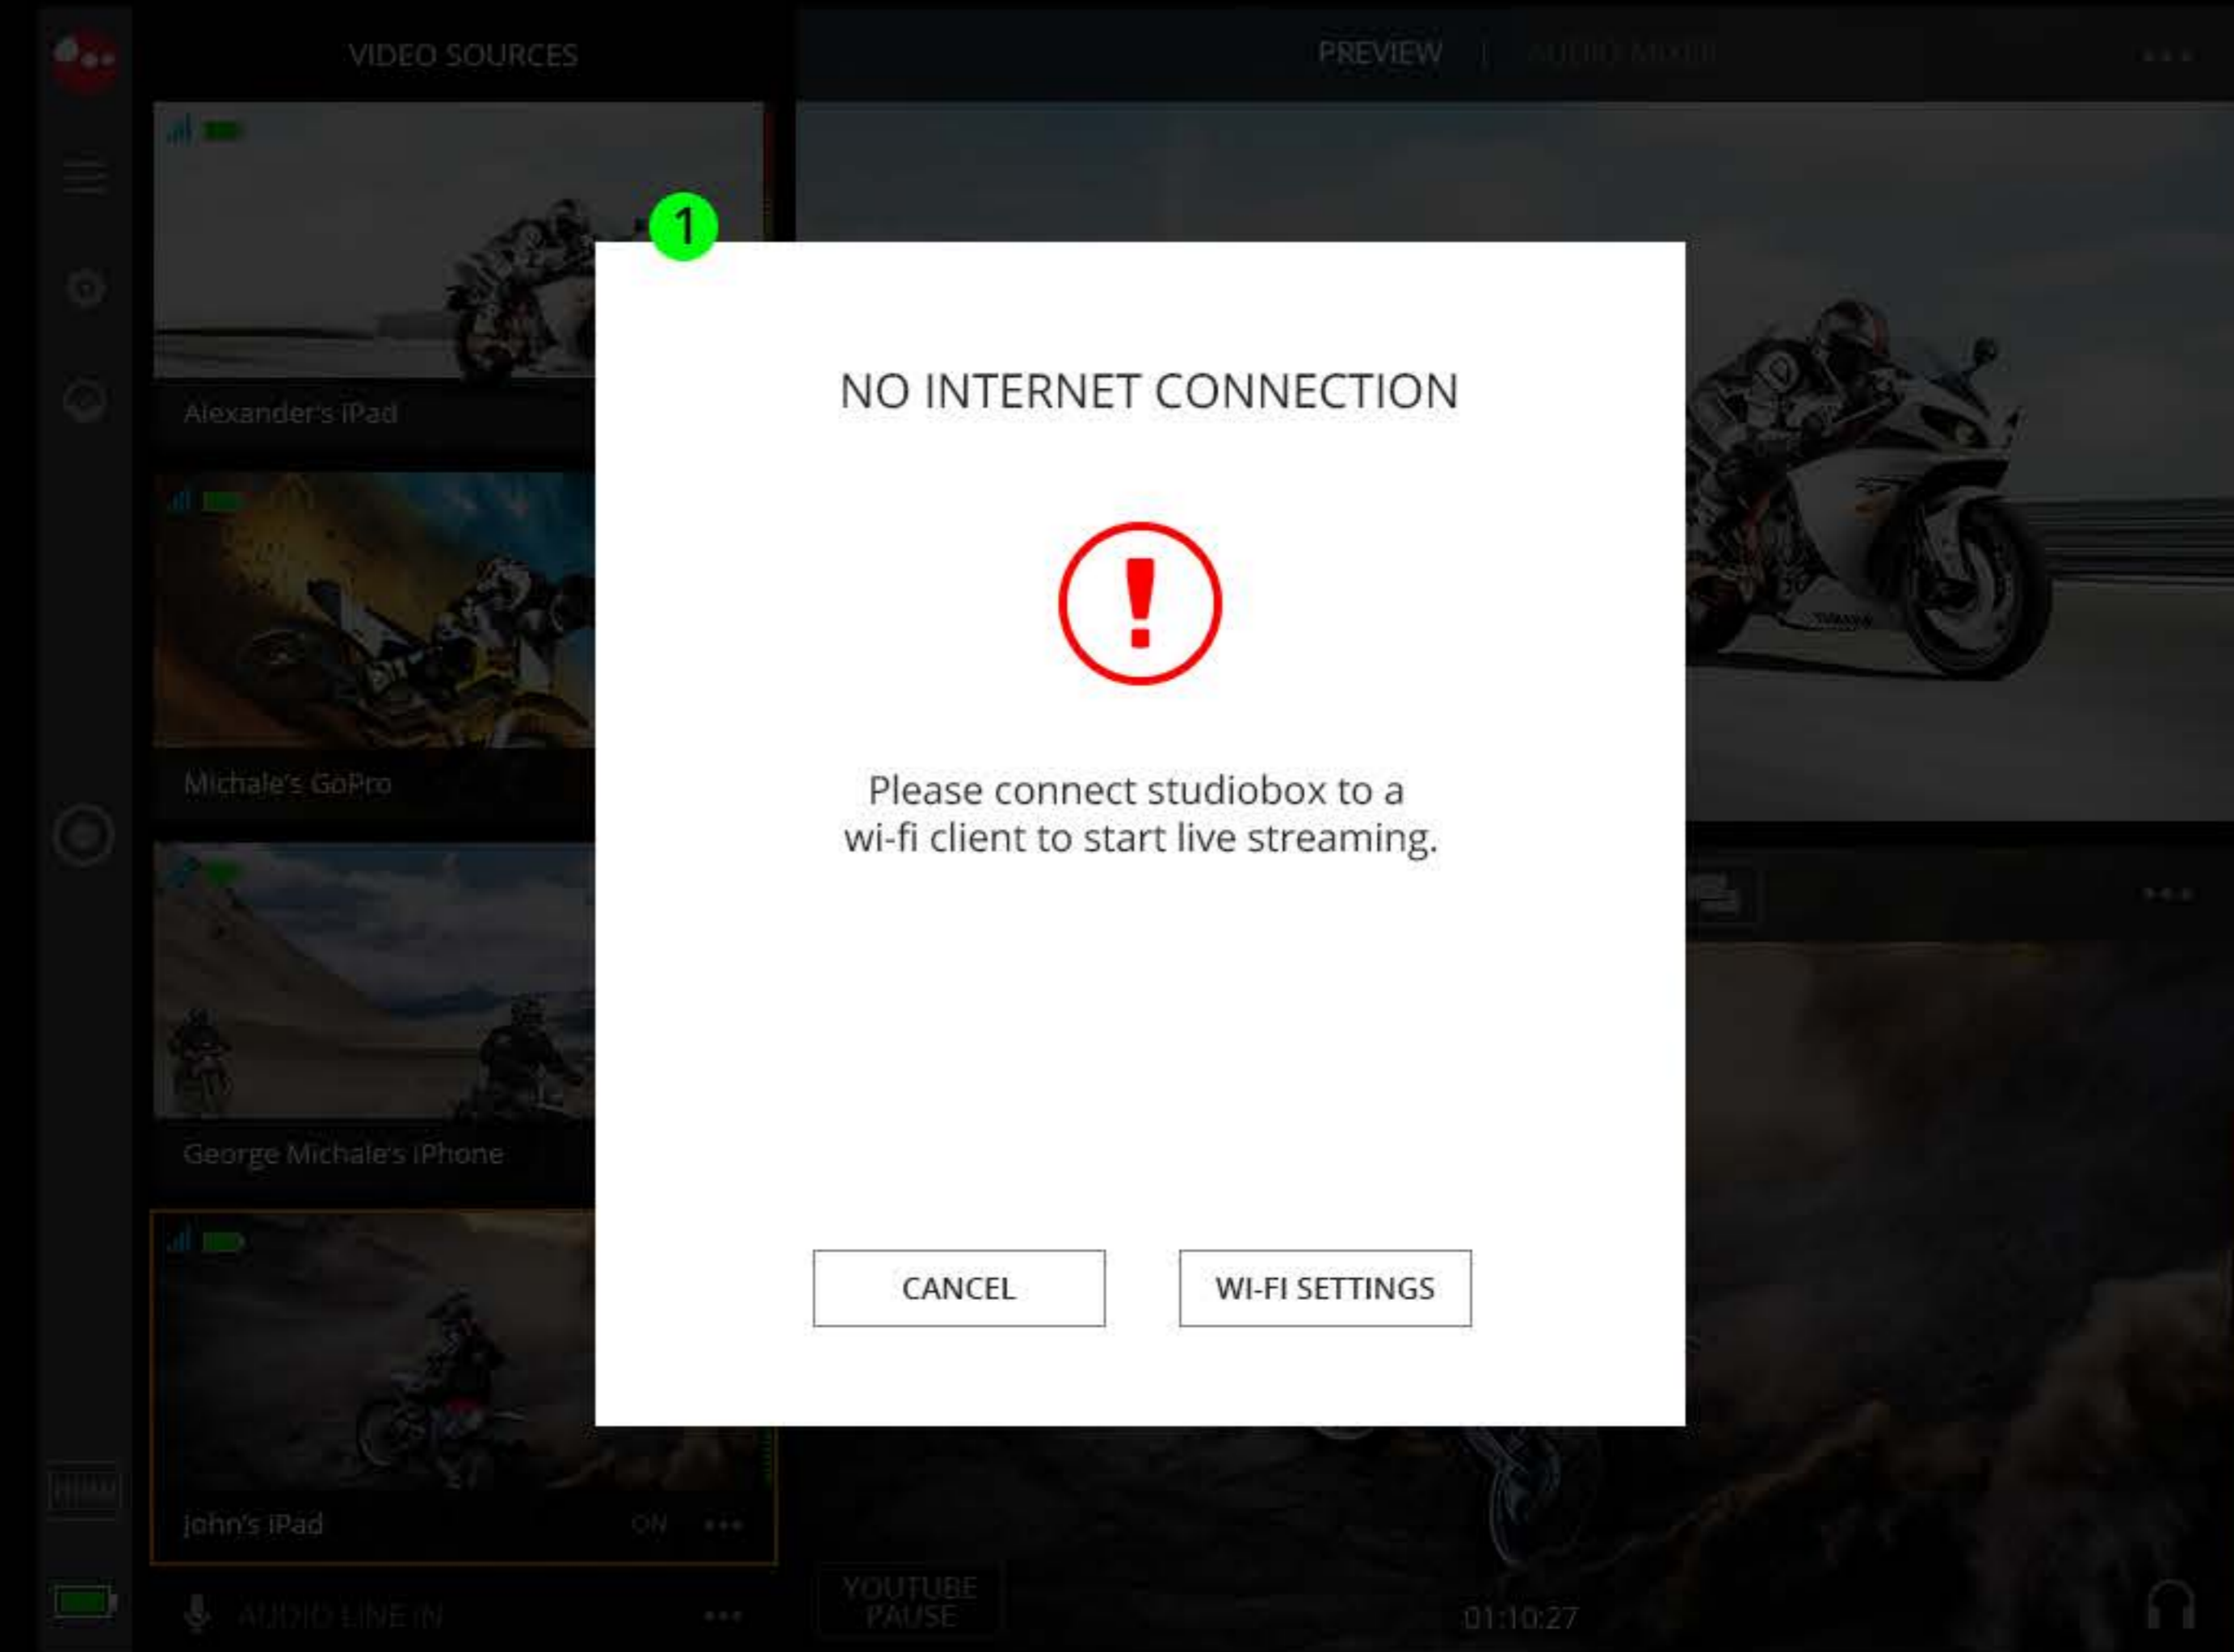

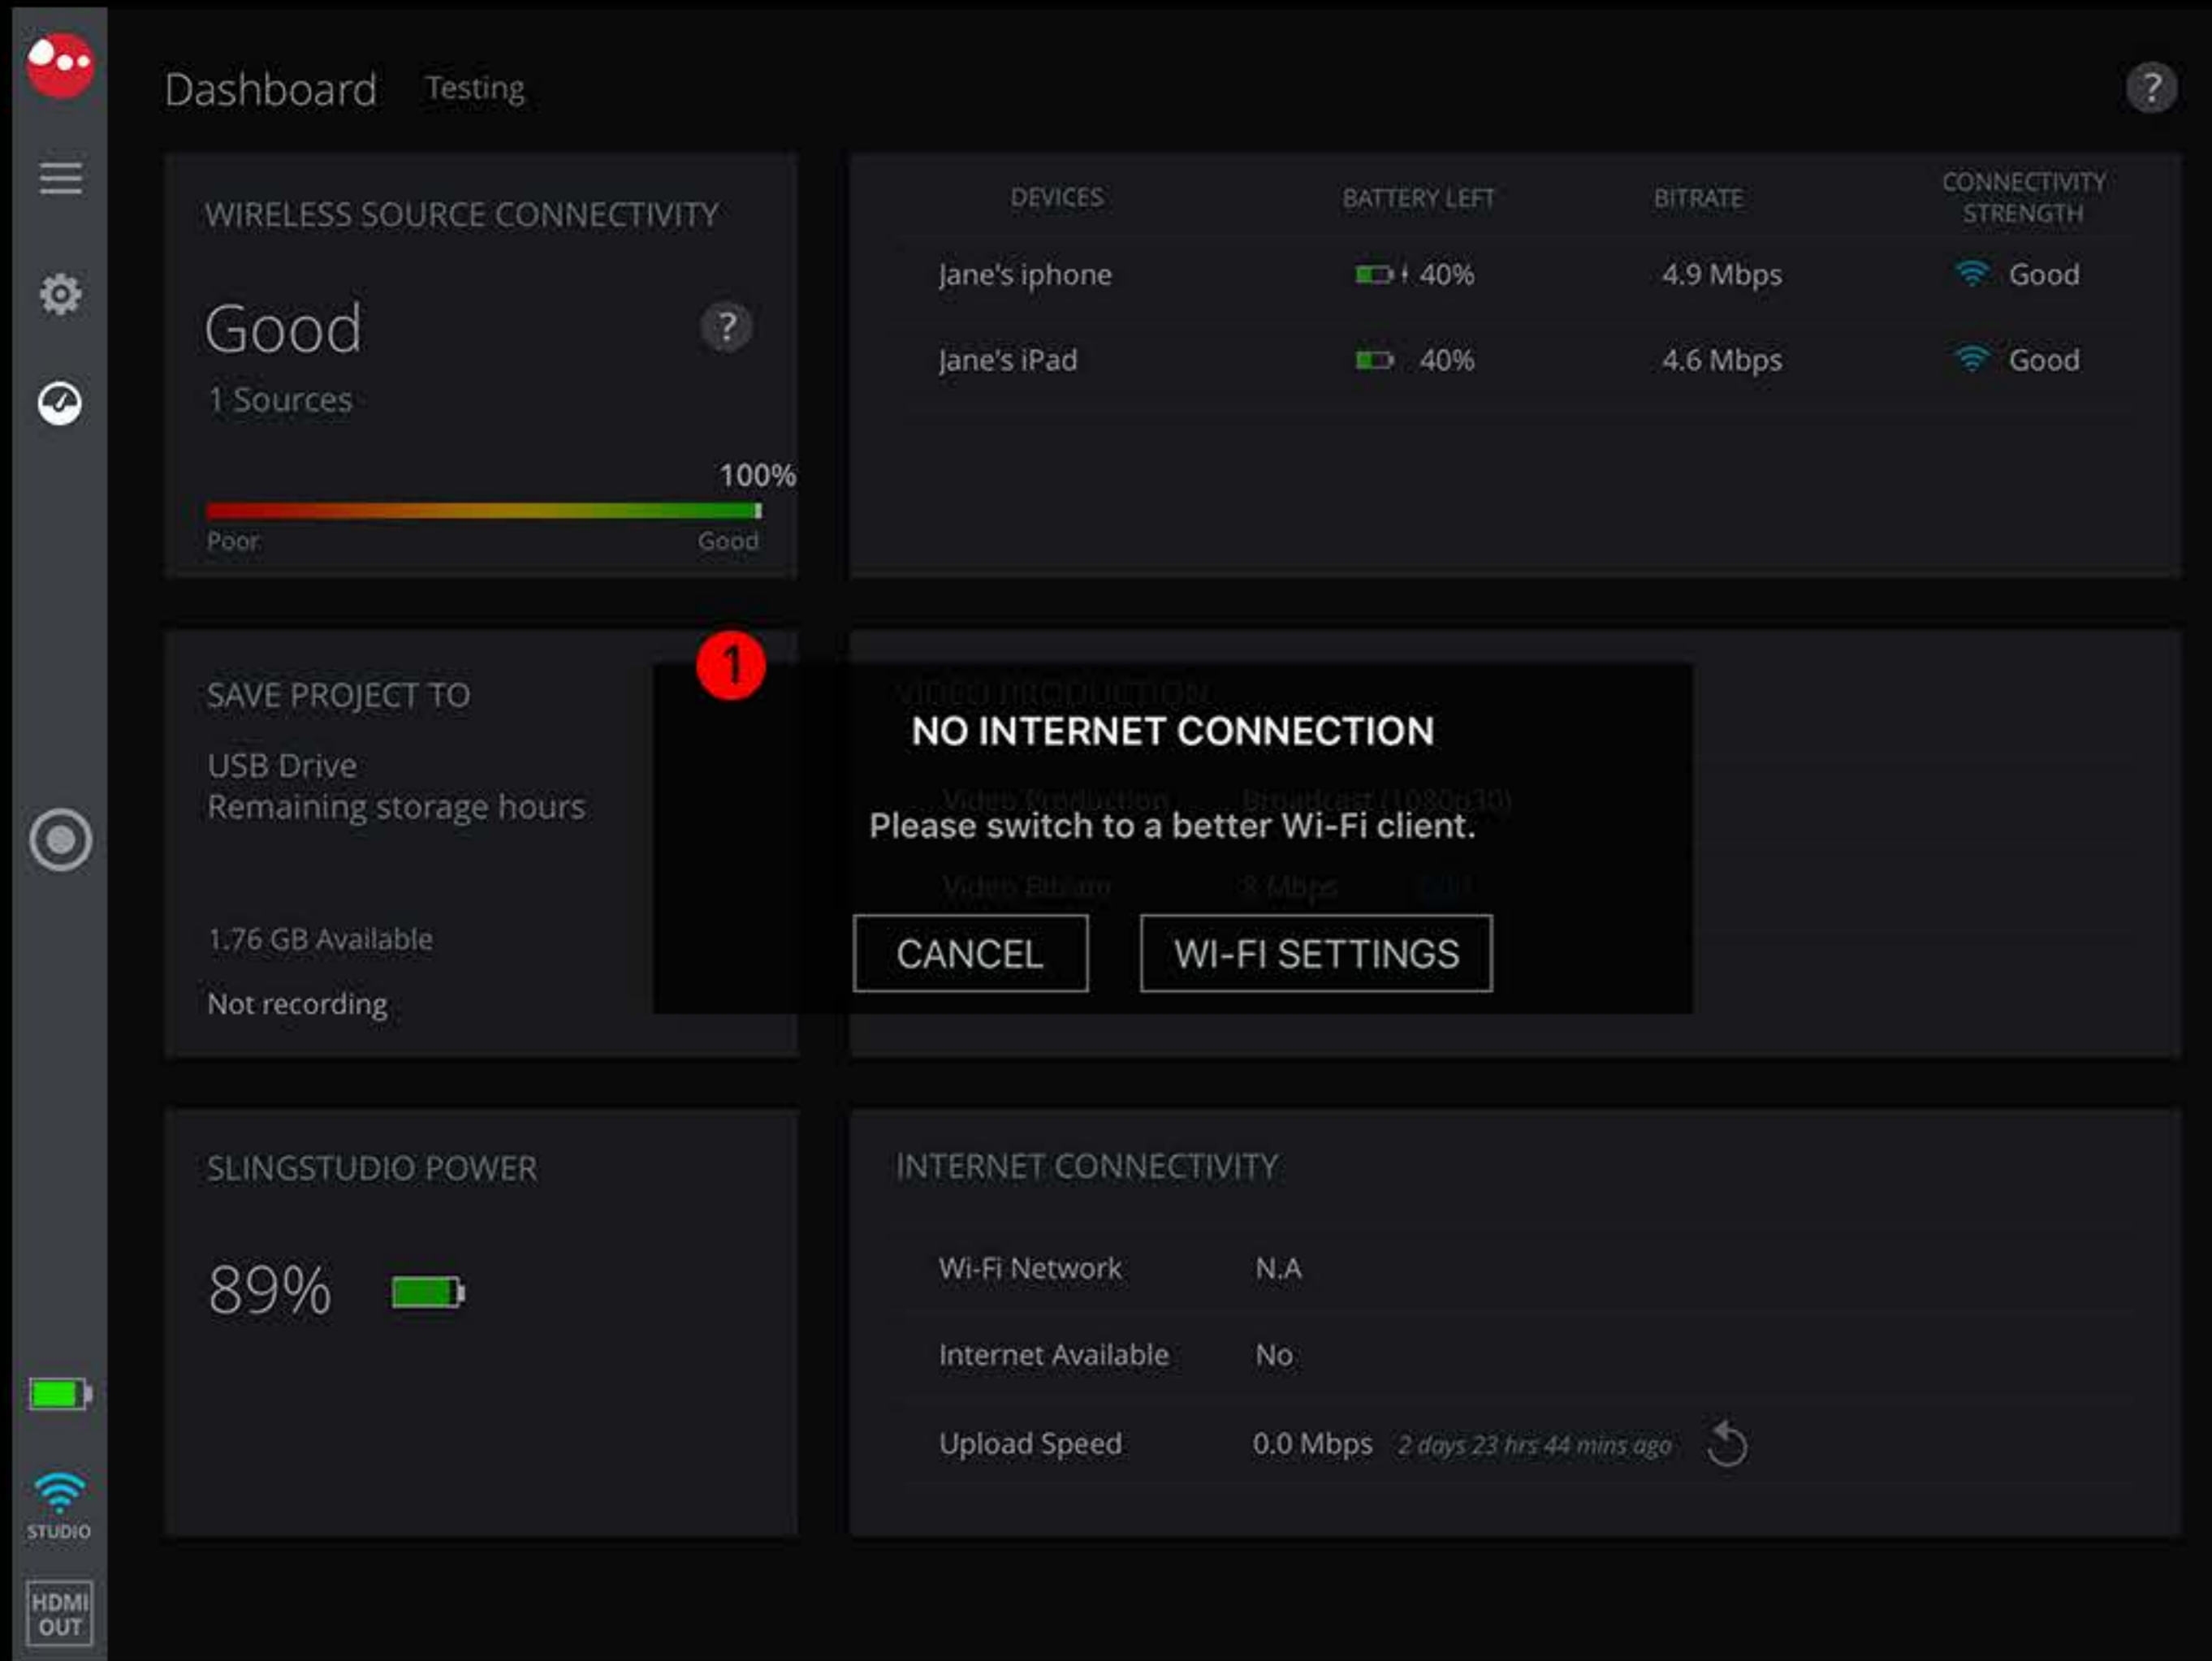

IMPLEMENTATION V. 0.15.25

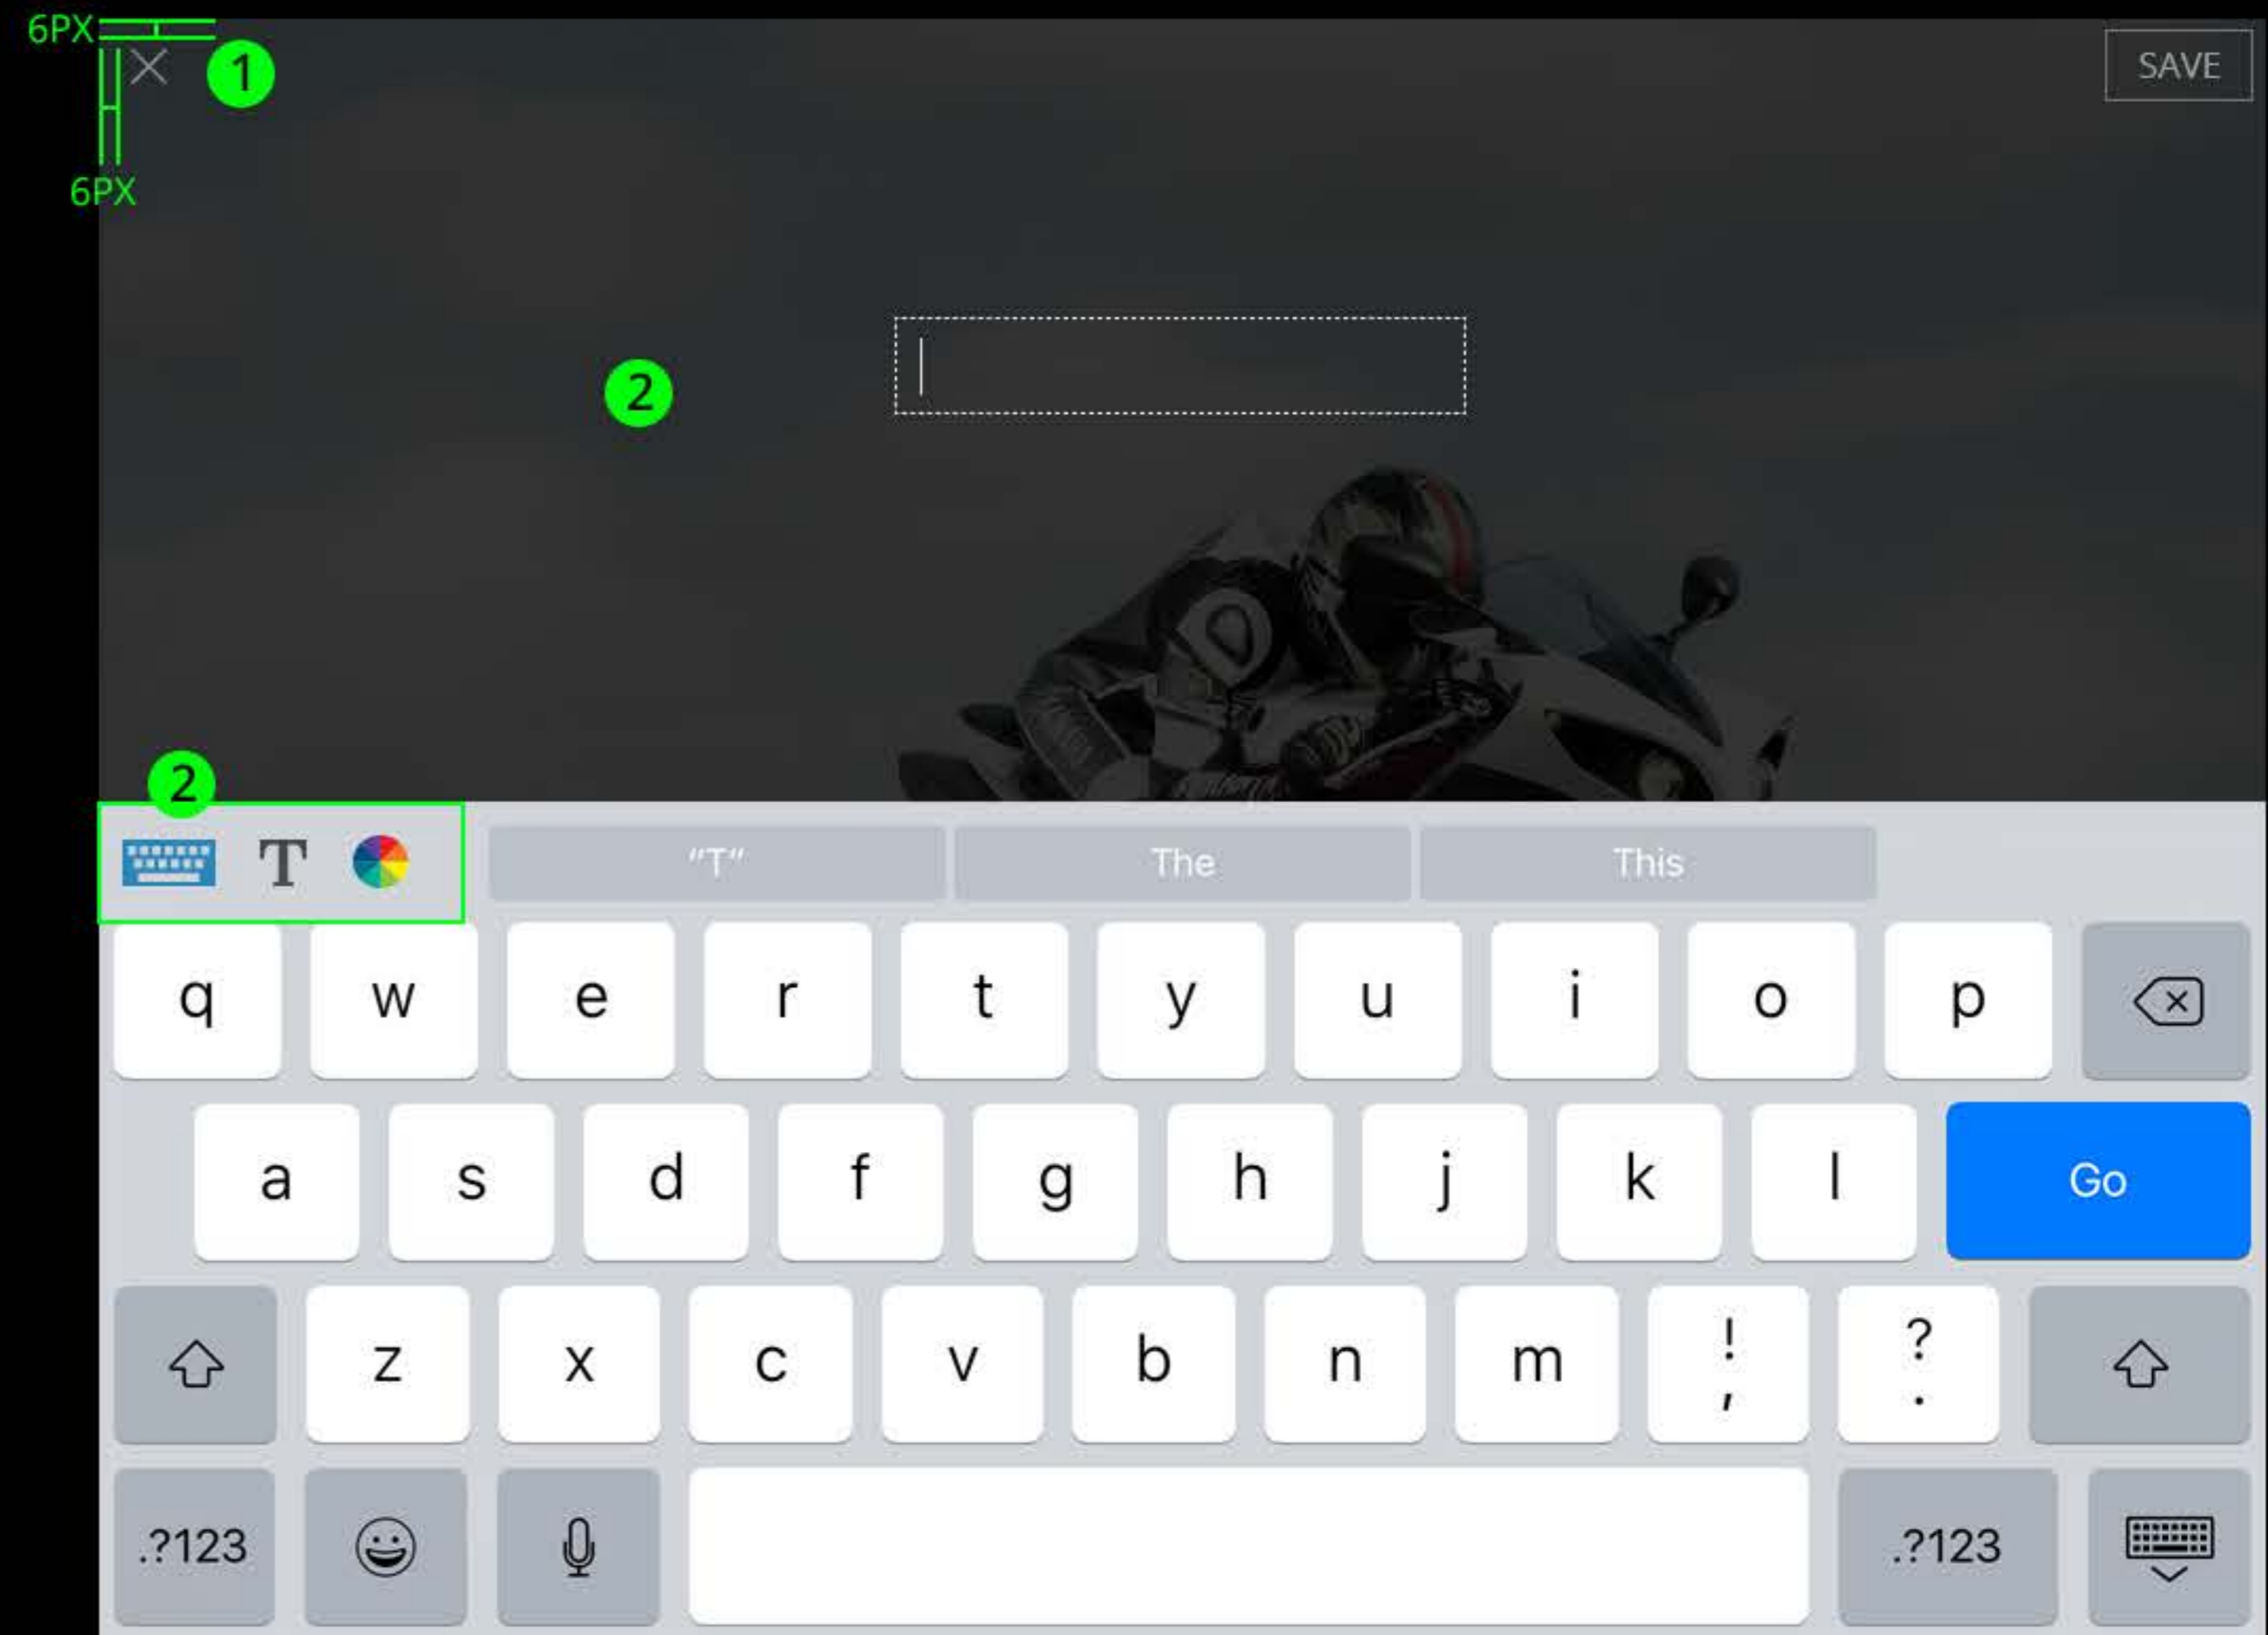

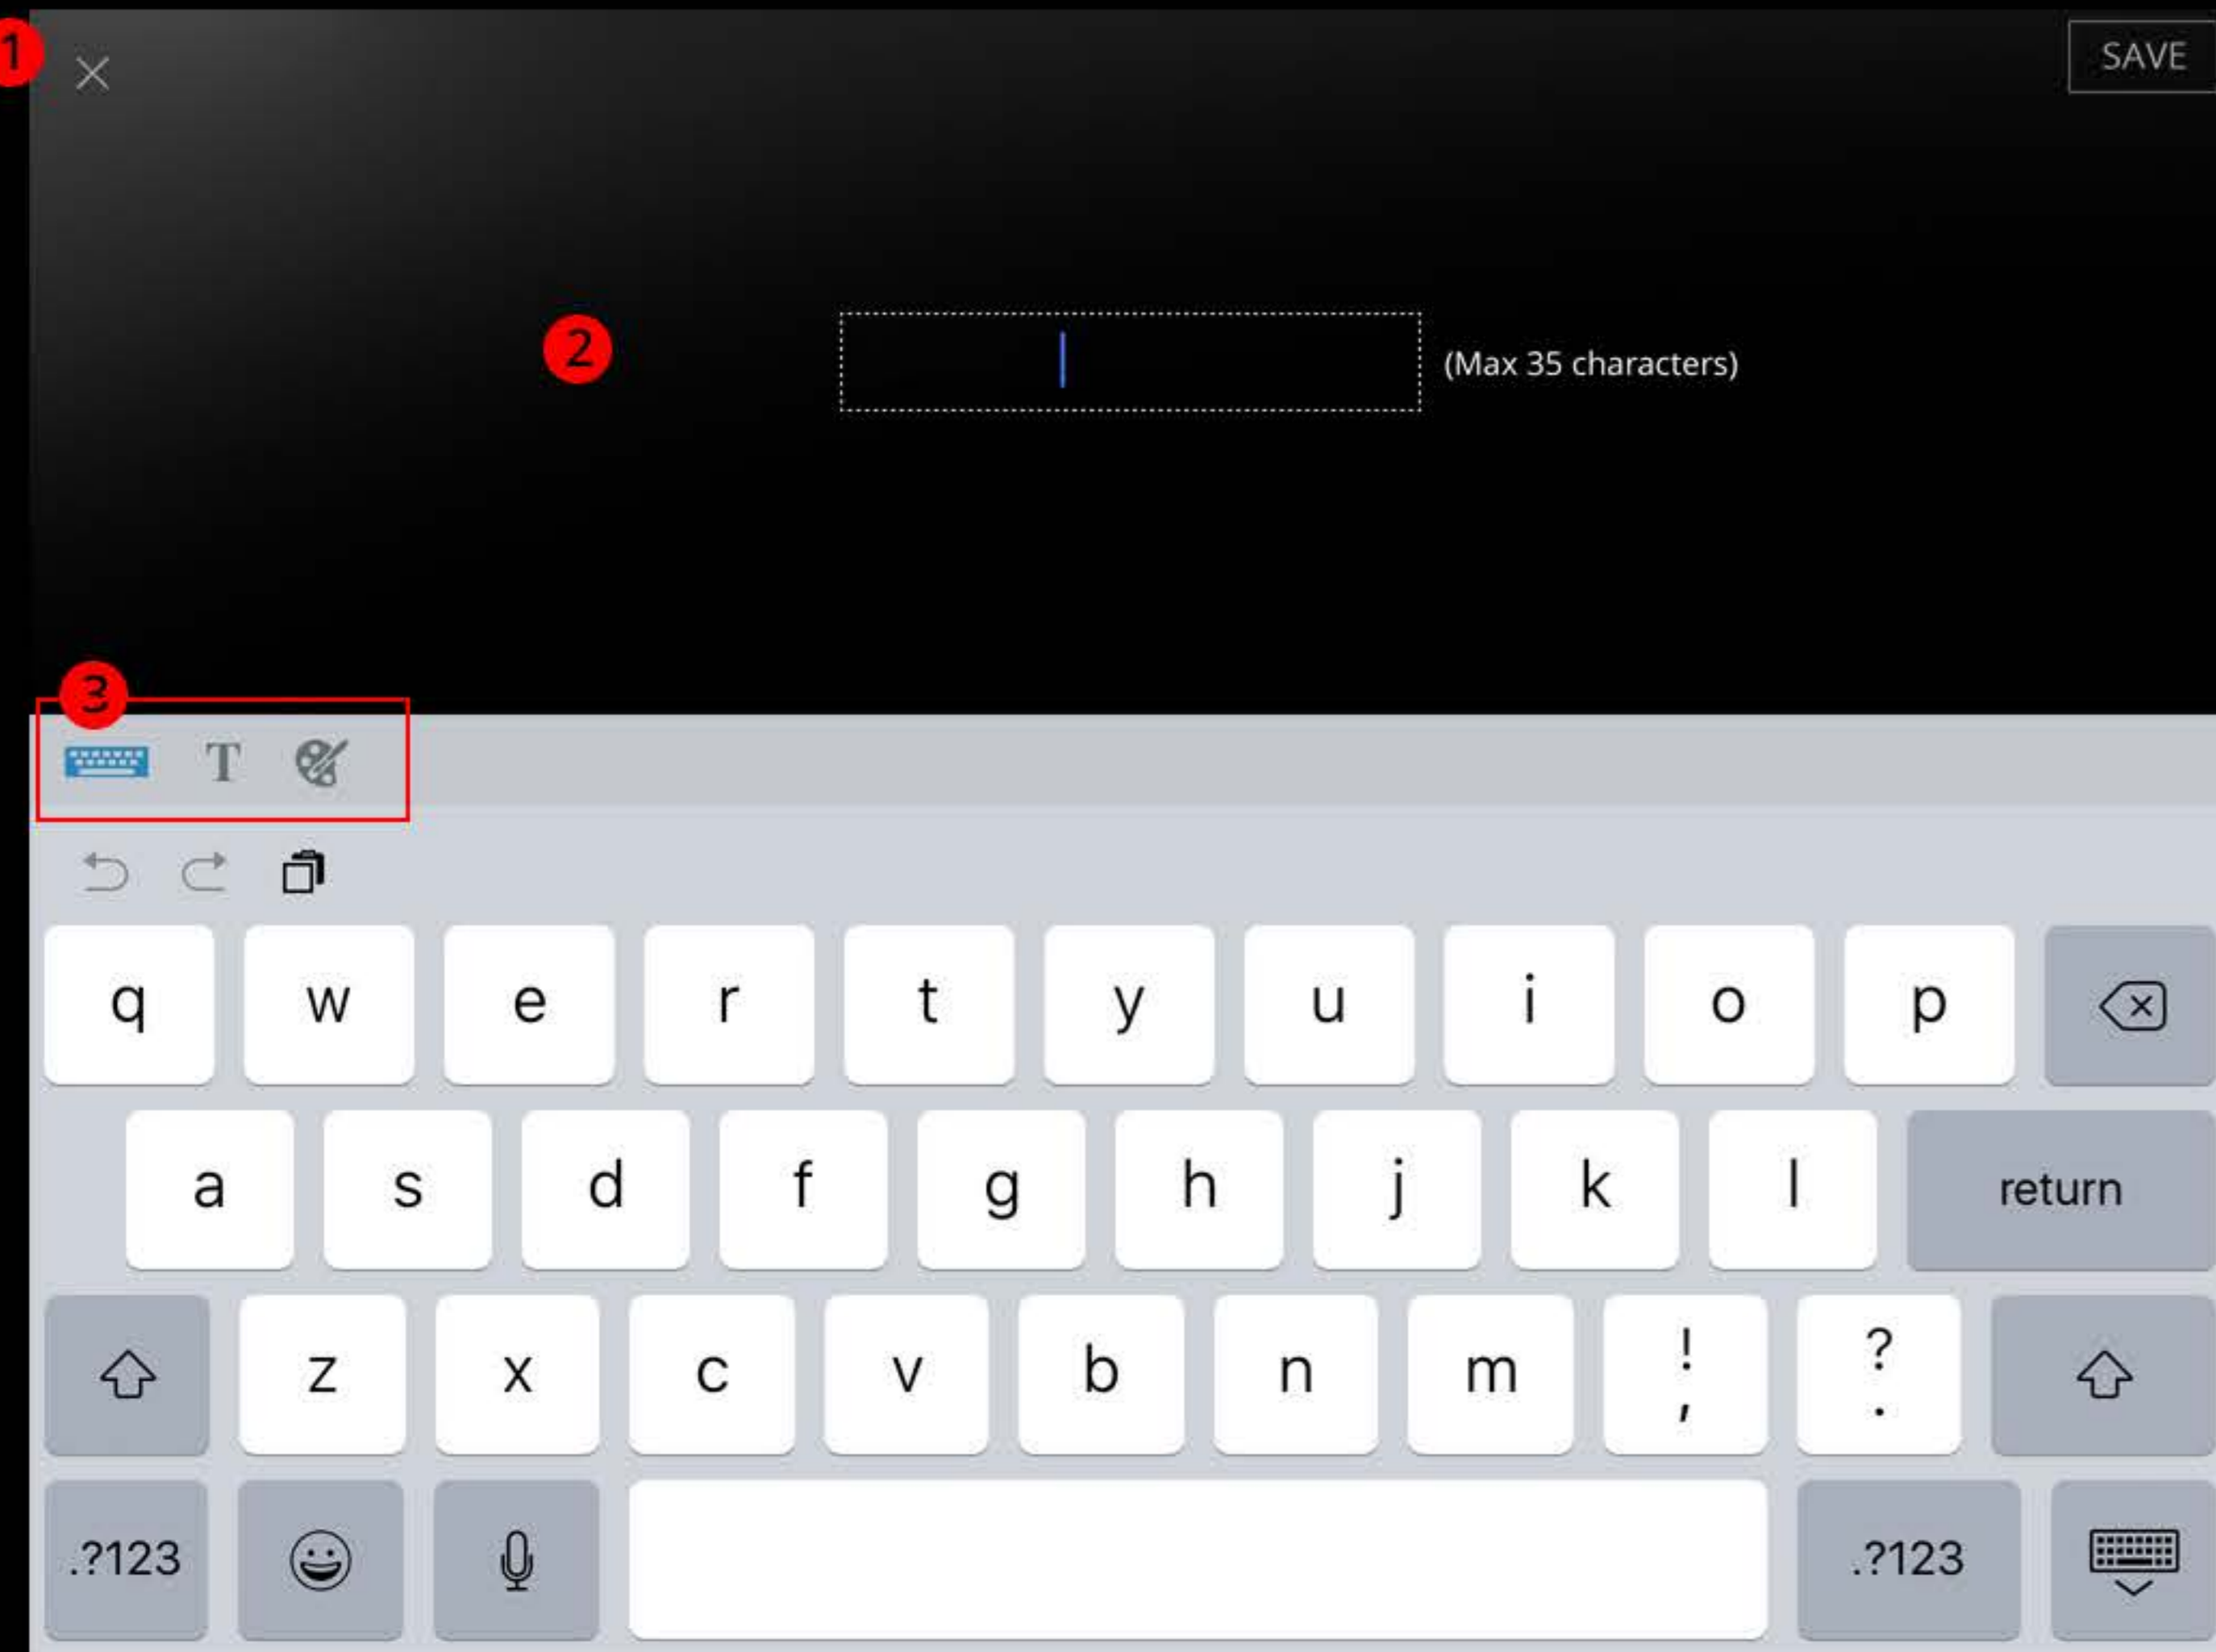

UI MOCKUP

- 1 Correct font size to 22pt
- 2 Correct spacing. Top margin: 64px
- 3 Correct background color. It's RGB:28,29,30
- 4 Global. Correct the height. It should be 210px
- 5 Global. Correct spacing. It's 26px
- 6 Move "100%" inside the color bar. Correct alignment. It's right align.
- 7 "Poor" and "Good". Correct the font size to 14pt
